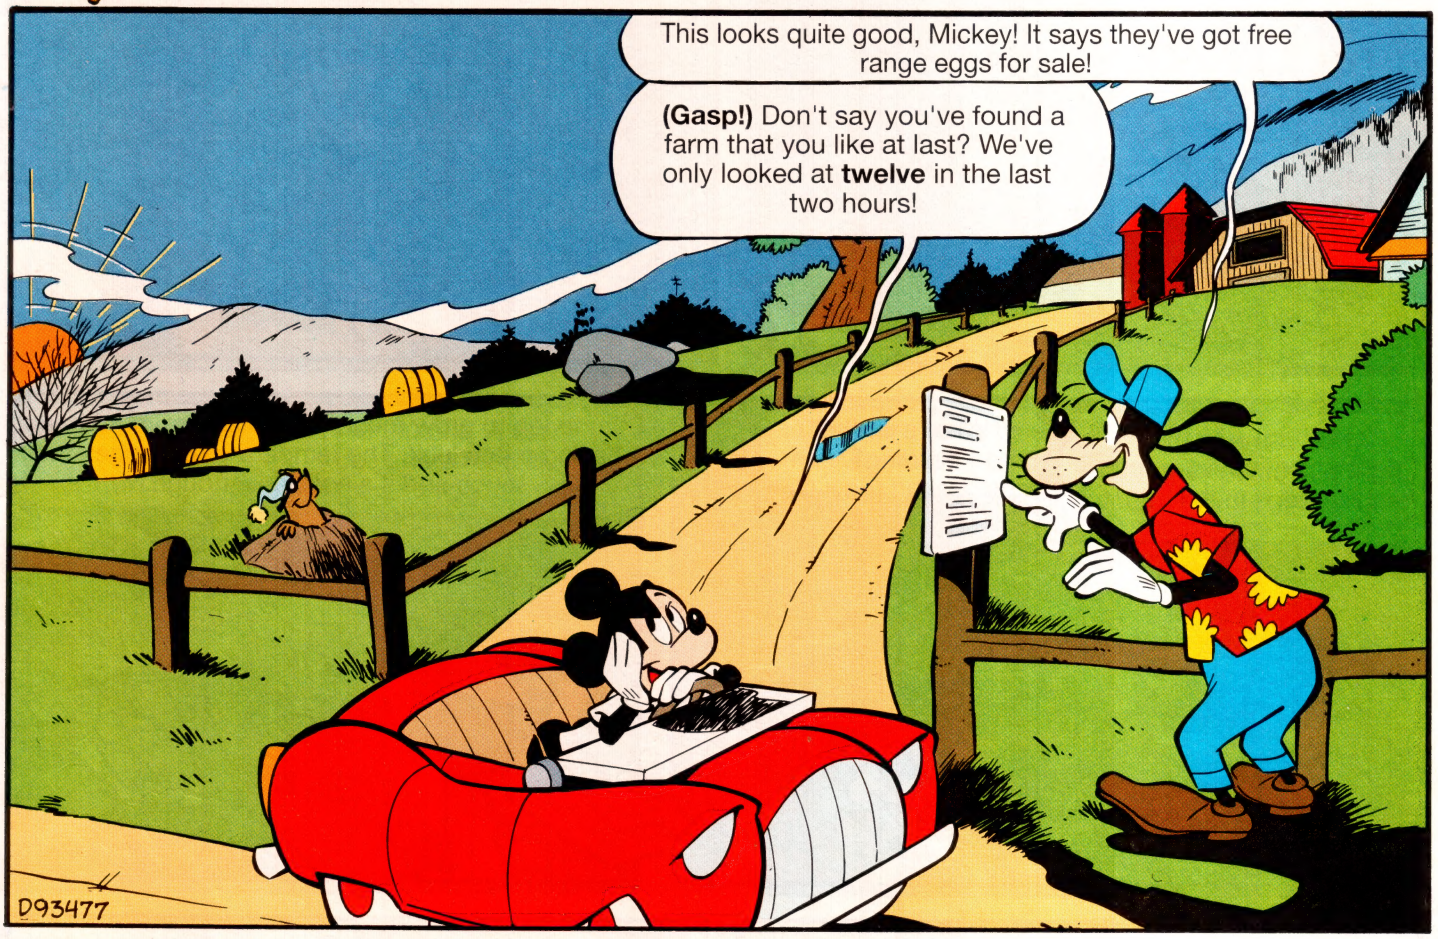
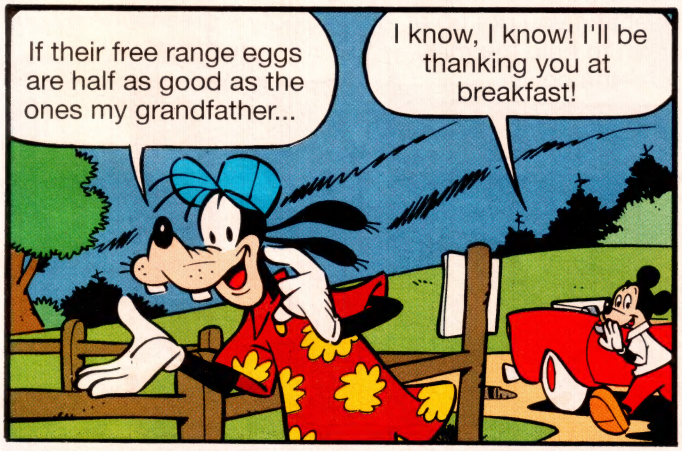
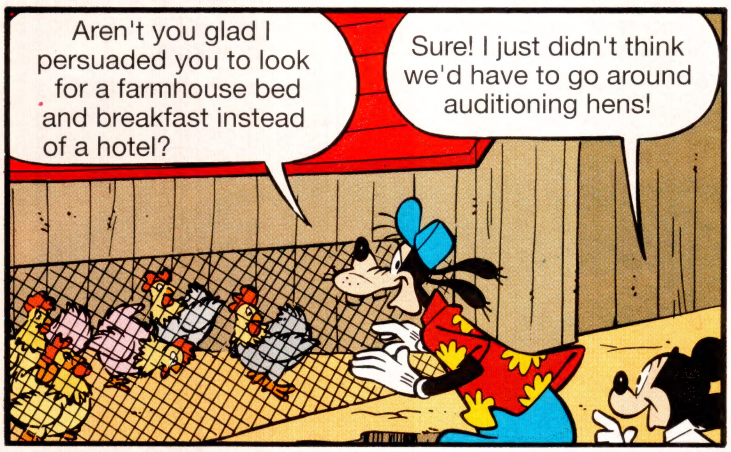
The Poultry Pilferer

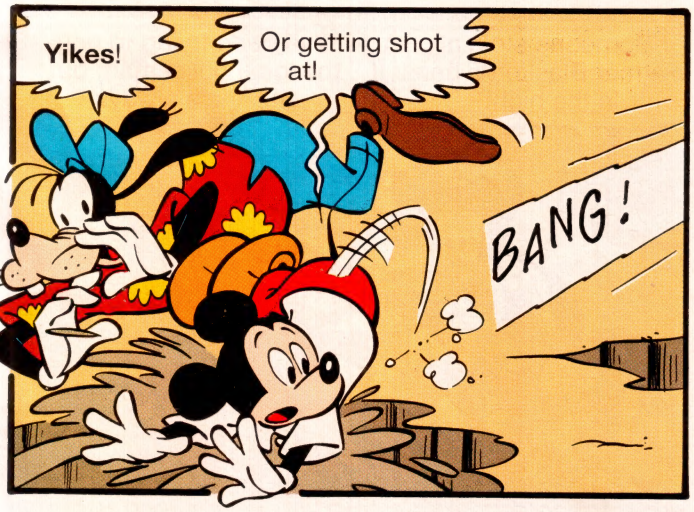


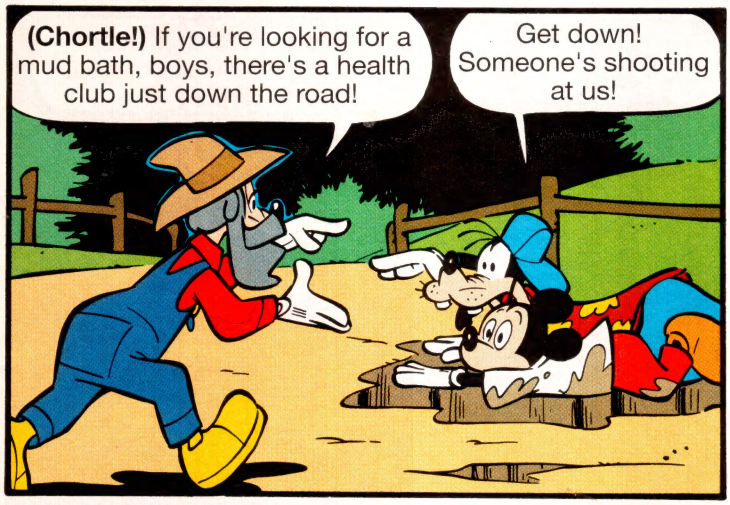
This looks quite good, Mickey! It says they've got free range eggs for sale!
(Gasp!) Don't say you've found a farm that you like at last? We've only looked at twelve in the last two hours!
D93477

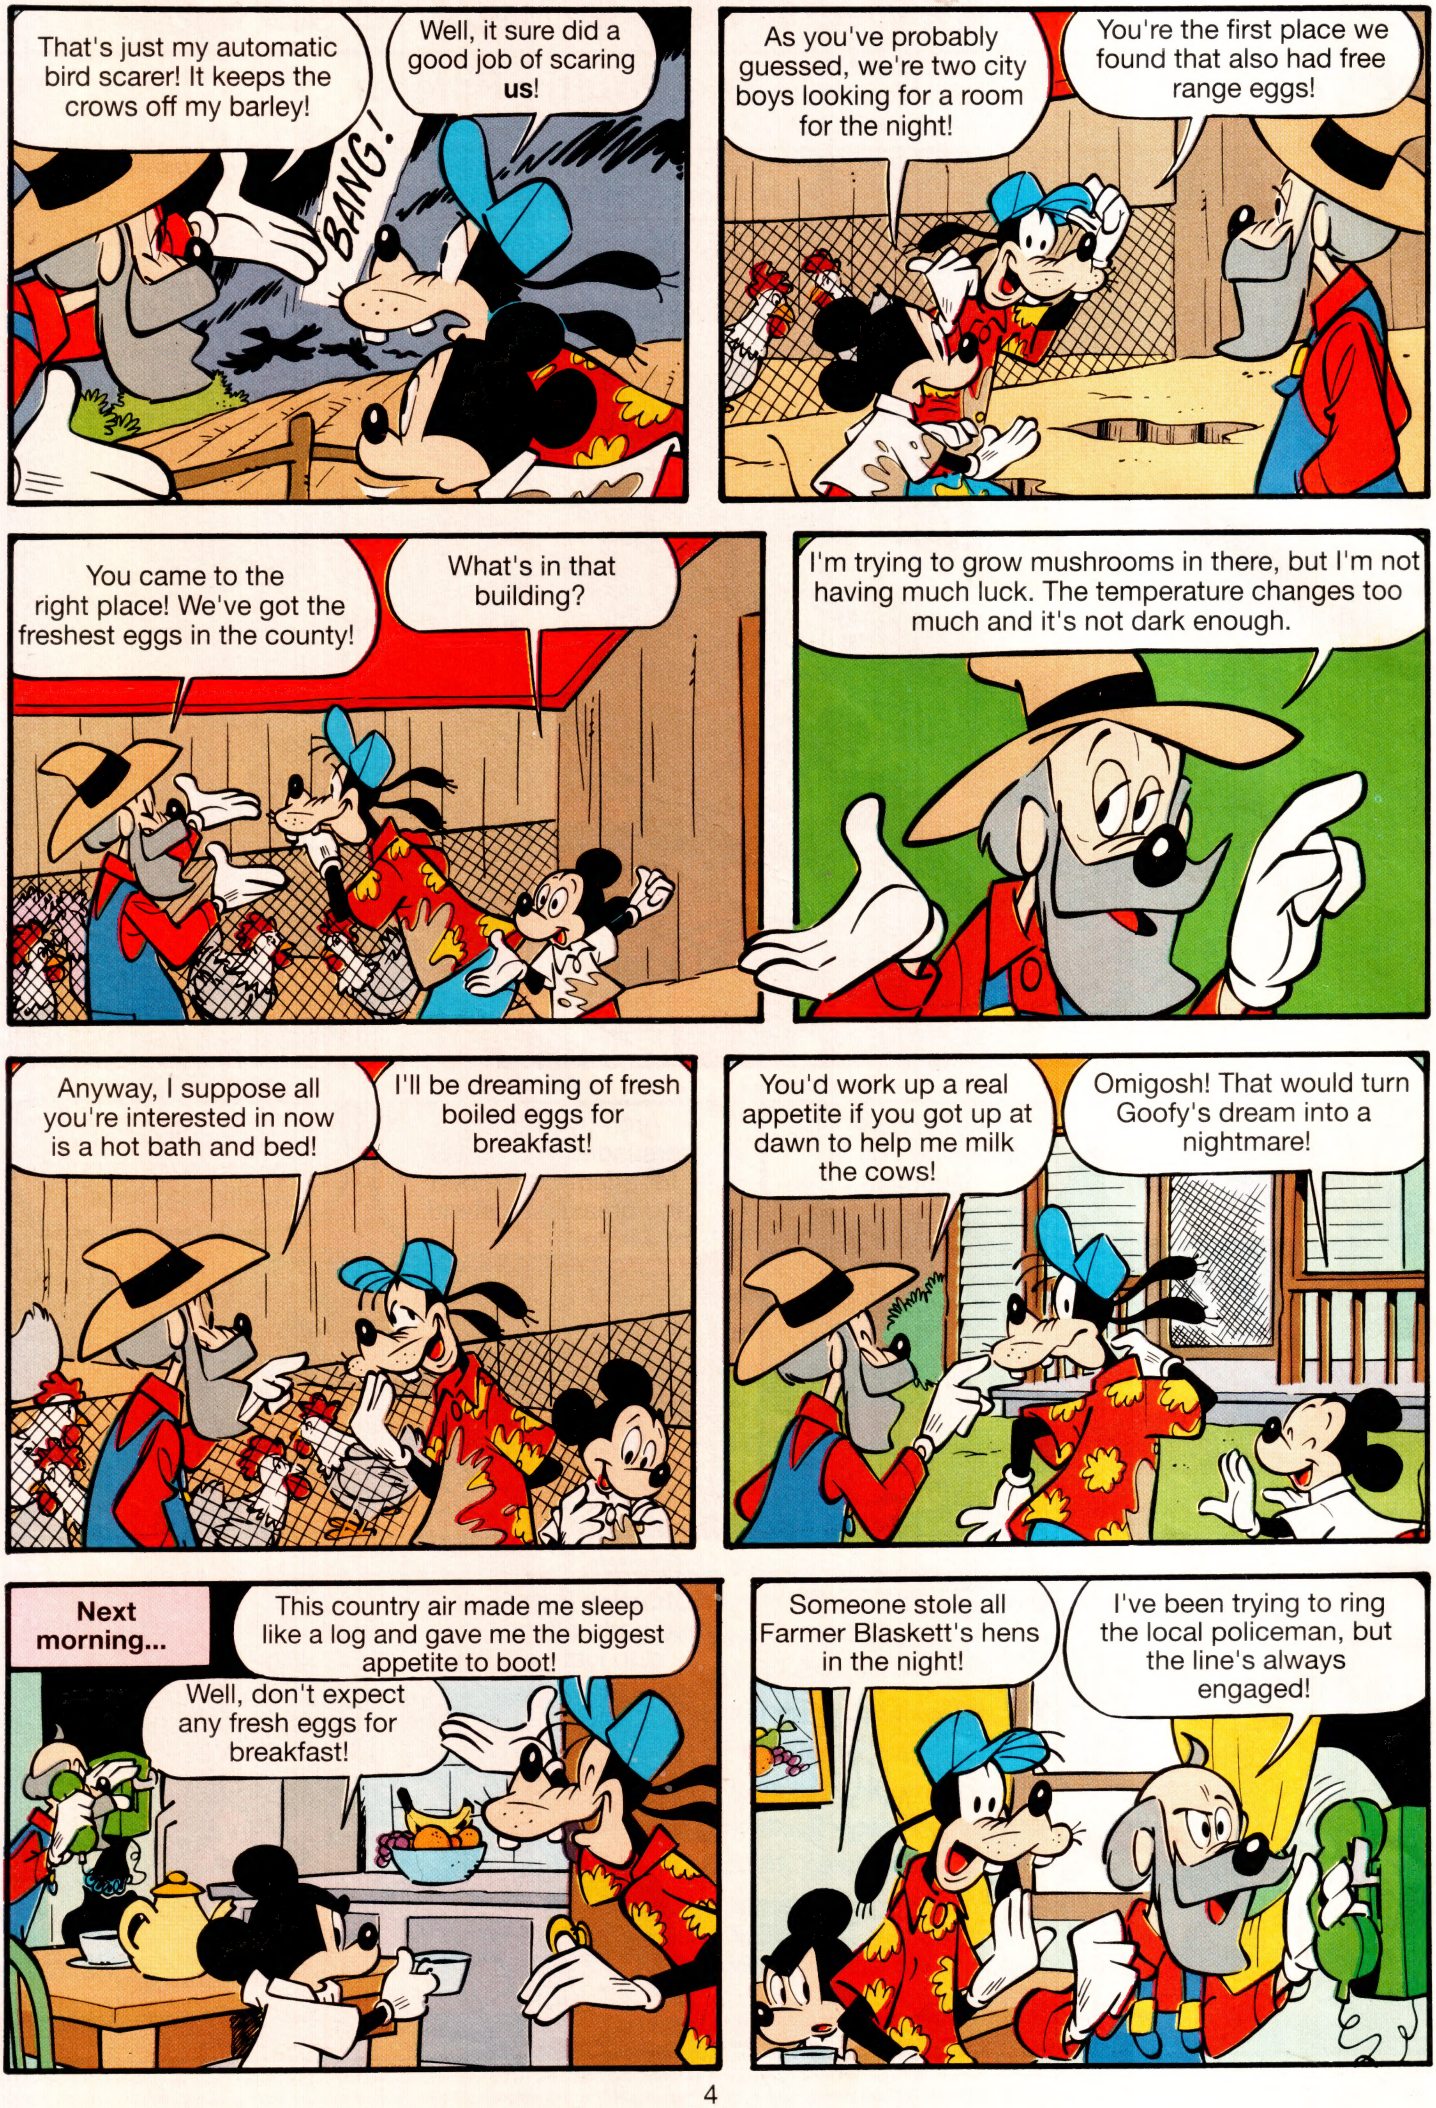




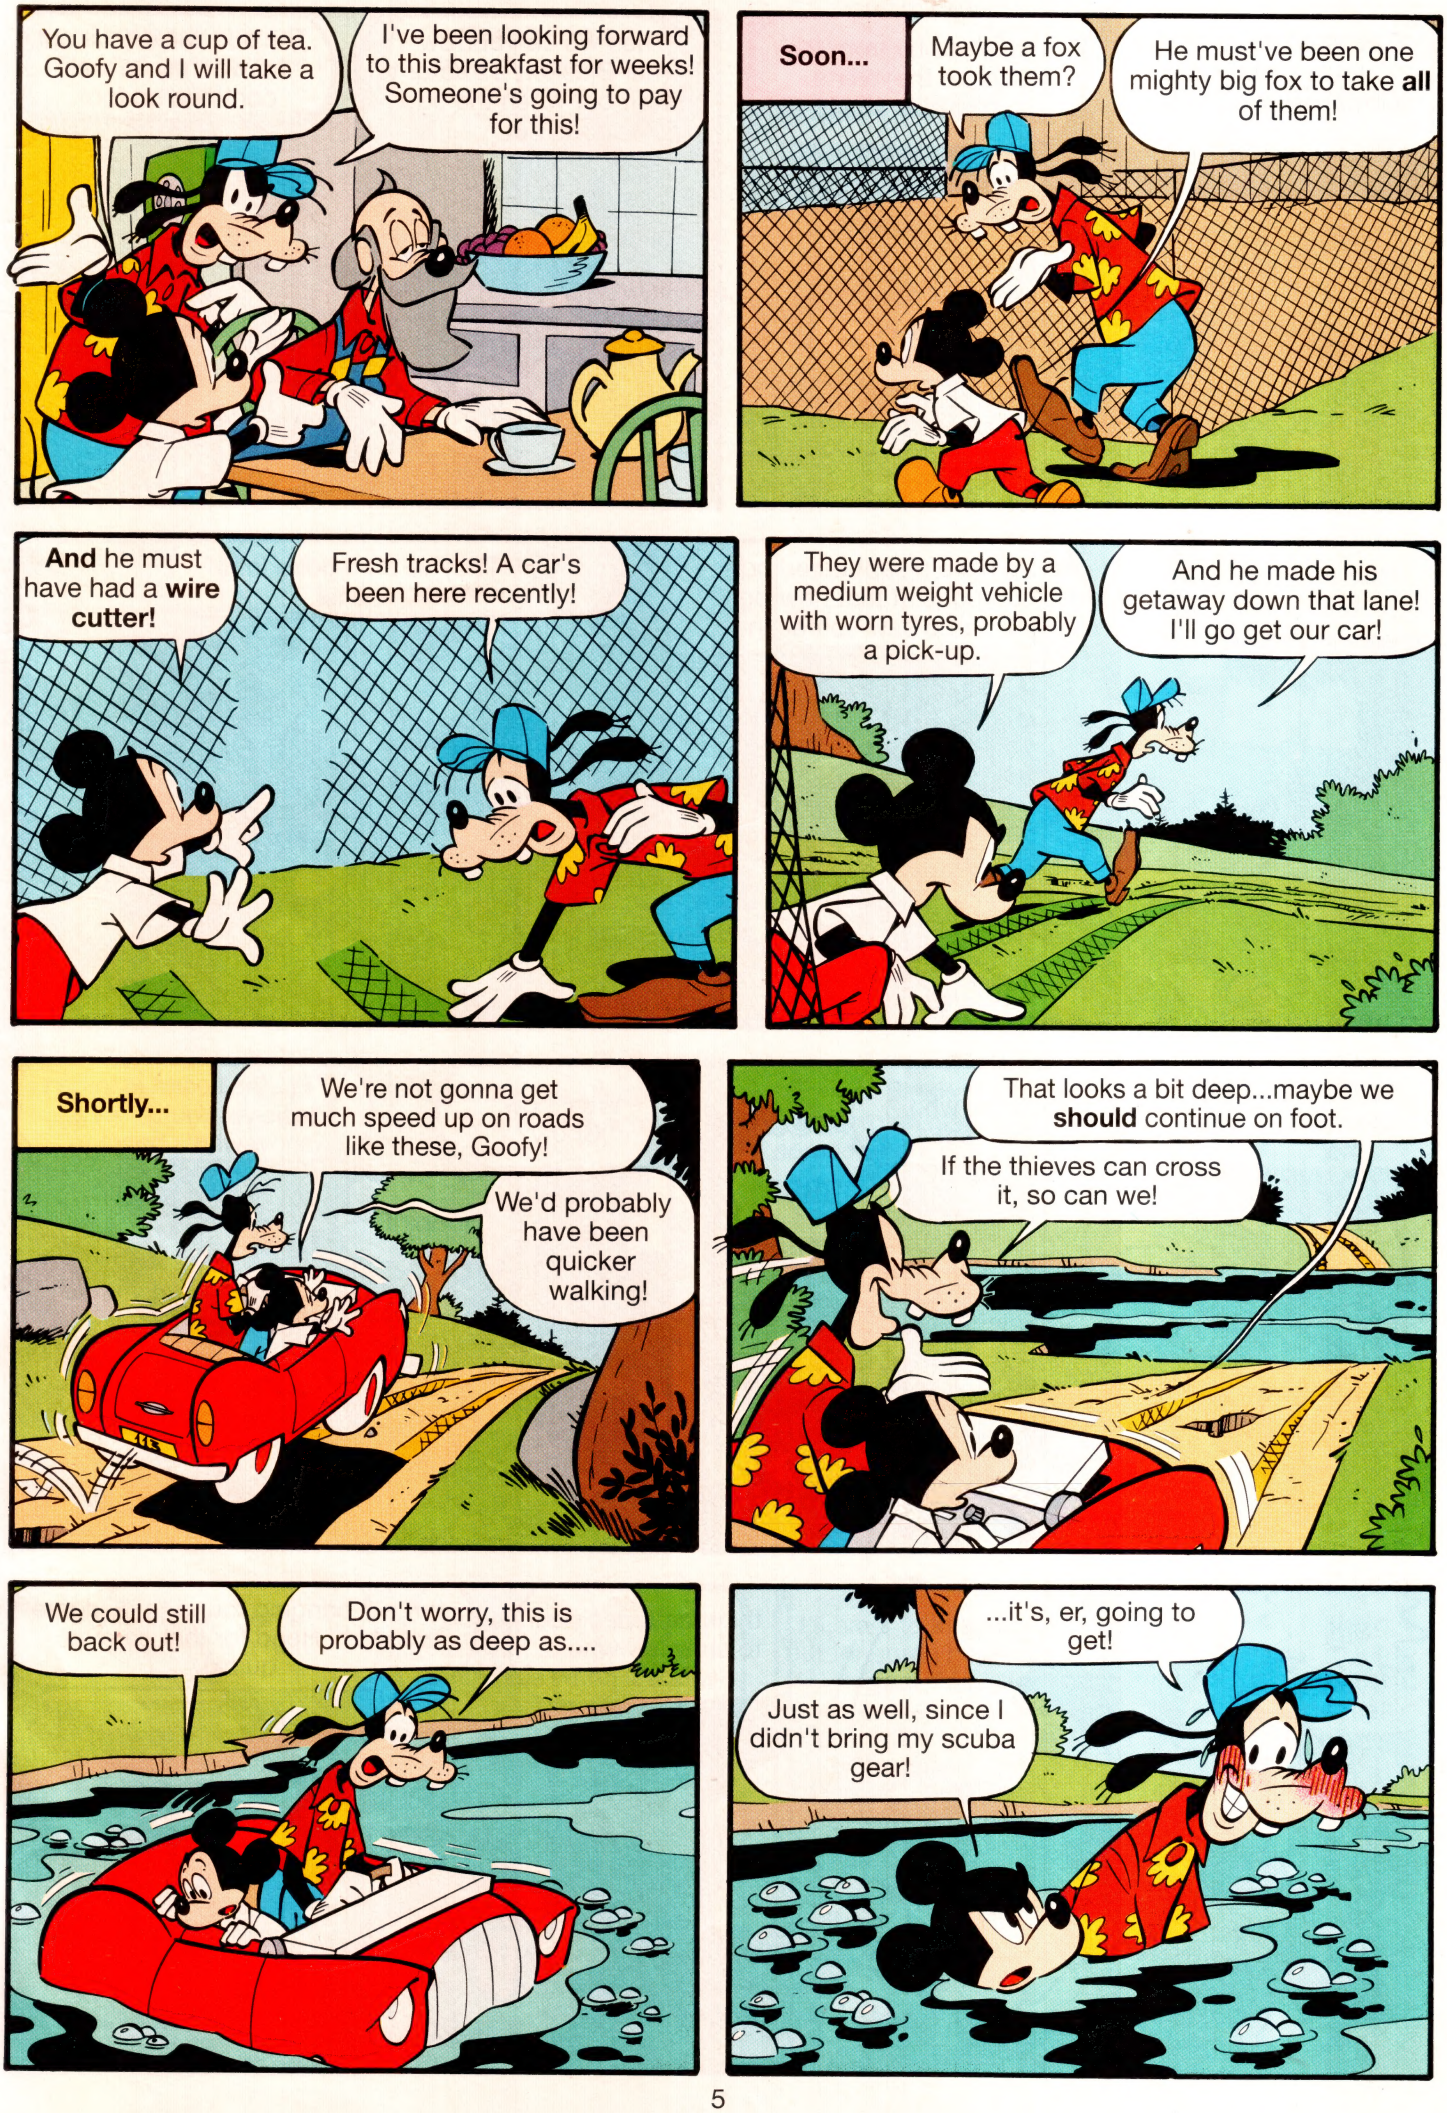
Aren't you glad I persuaded you to look for a farmhouse bed and breakfast instead of a hotel?
Sure! I just didn't think we'd have to go around auditioning hens!



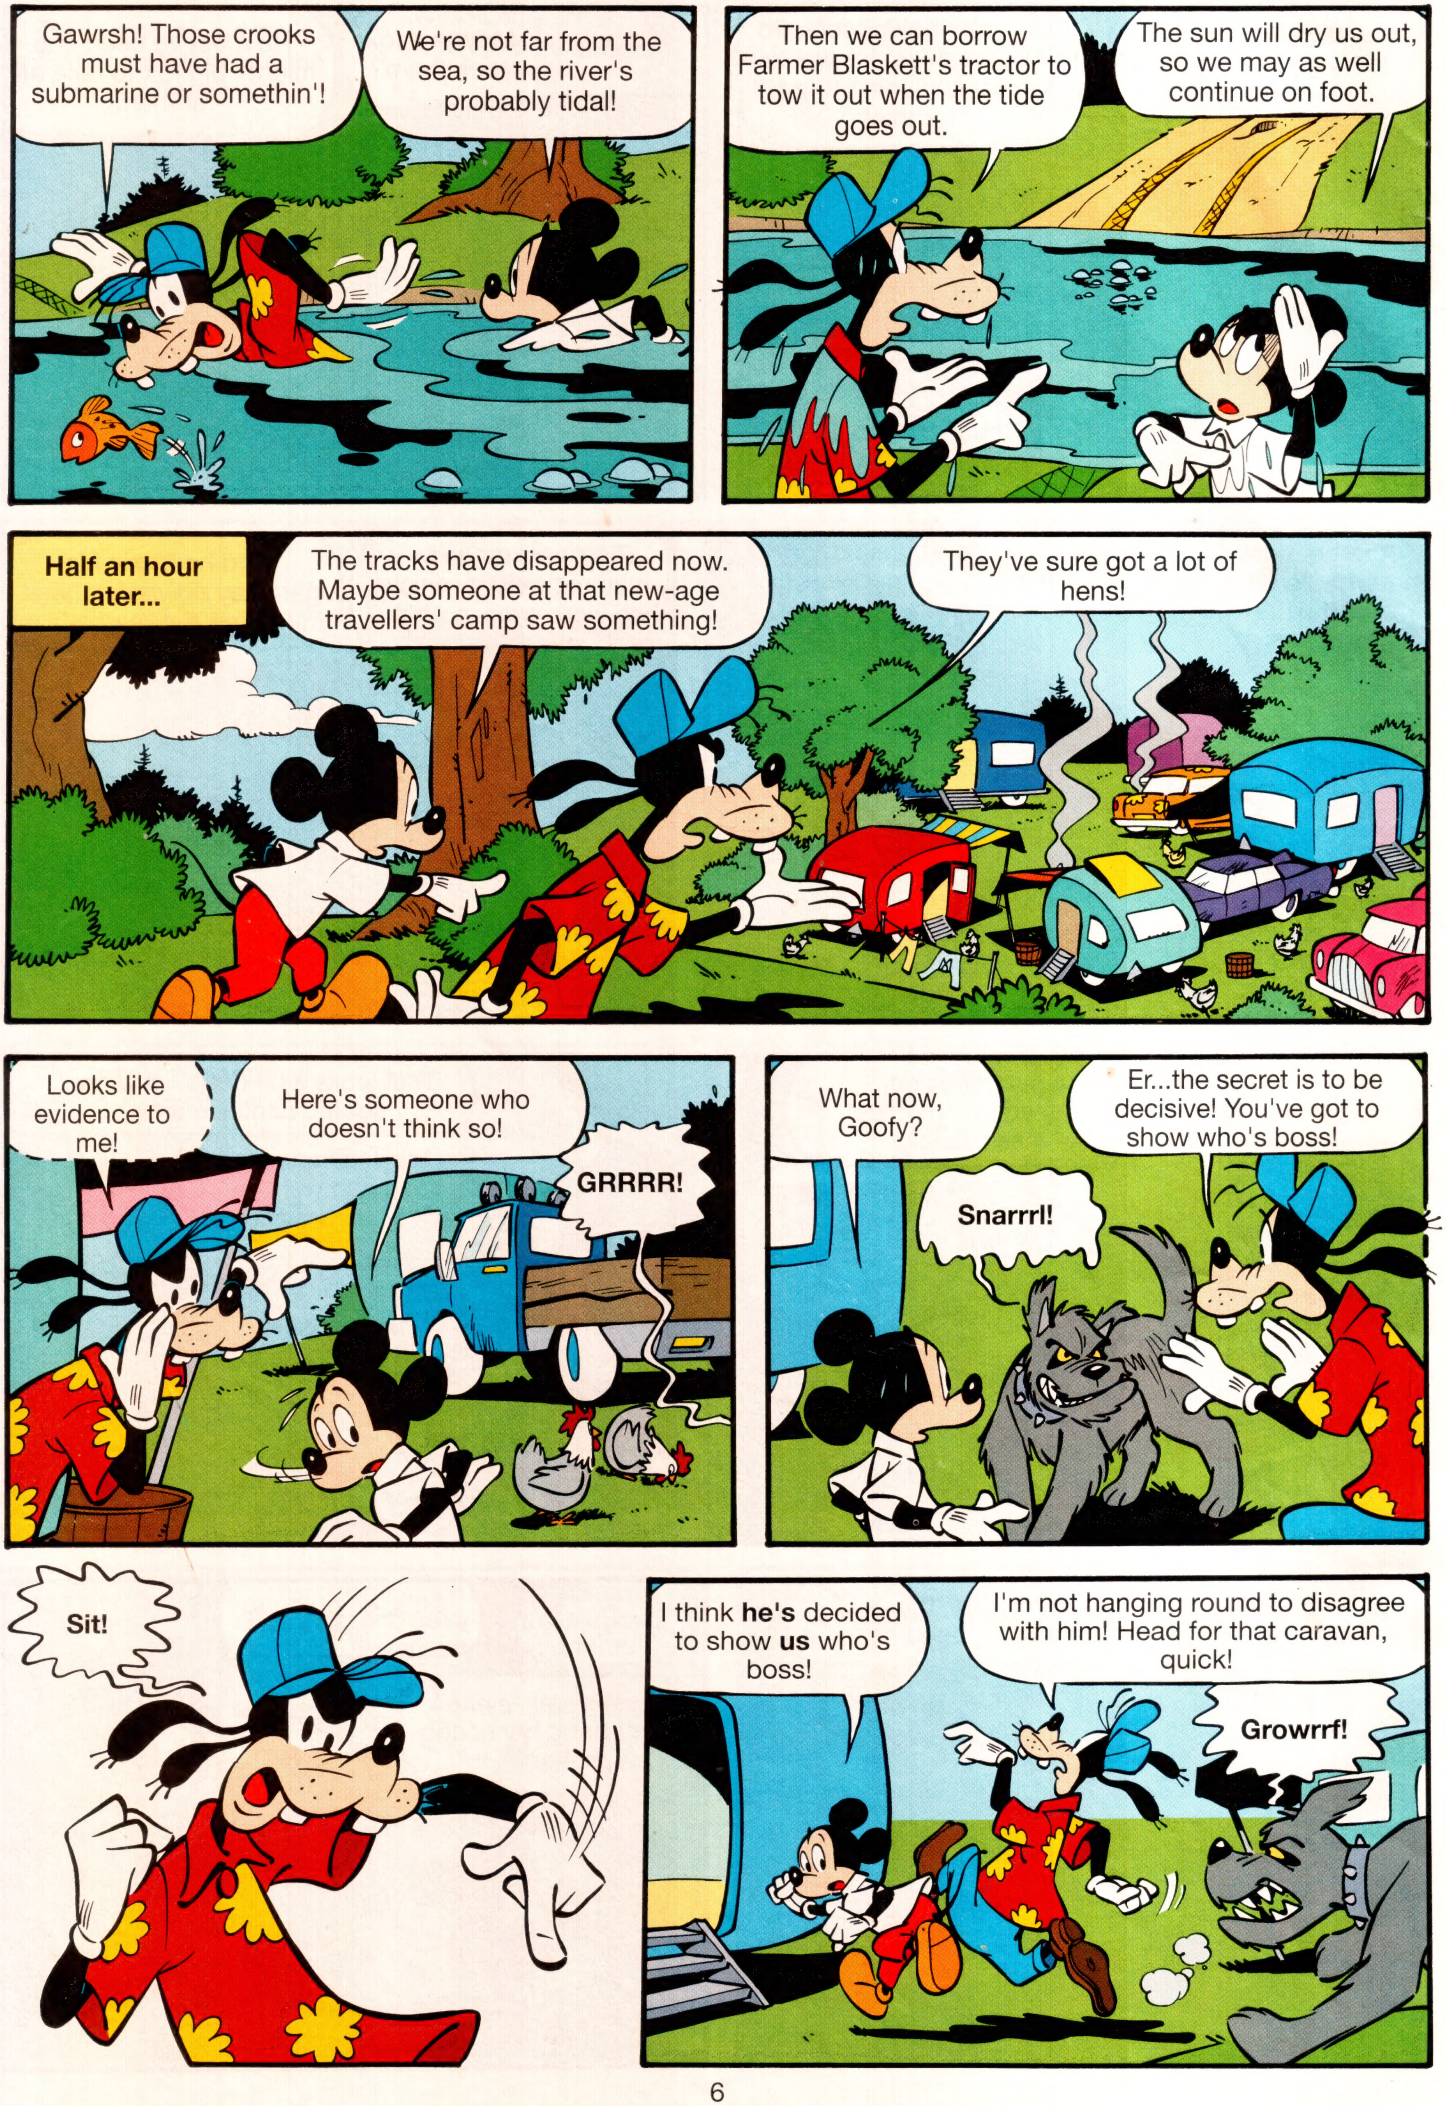




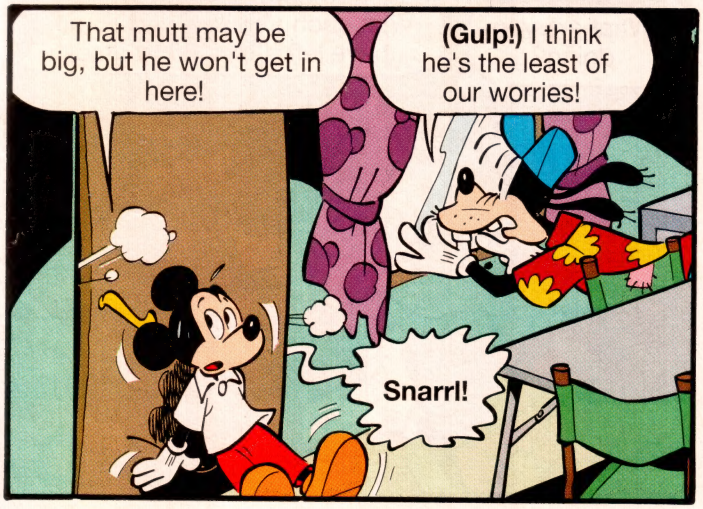
That's just my automatic bird scarer! It keeps the crows off my barley!
Well, it sure did a good job of scaring **us**!
BANG!
As you've probably guessed, we're two city boys looking for a room for the night!
You're the first place we found that also had free range eggs!
You came to the right place! We've got the freshest eggs in the county!
What's in that building?
I'm trying to grow mushrooms in there, but I'm not having much luck. The temperature changes too much and it's not dark enough.
Anyway, I suppose all you're interested in now is a hot bath and bed!
I'll be dreaming of fresh boiled eggs for breakfast!
You'd work up a real appetite if you got up at dawn to help me milk the cows!
Omigosh! That would turn Goofy's dream into a nightmare!
Next morning...
This country air made me sleep like a log and gave me the biggest appetite to boot!
Well, don't expect any fresh eggs for breakfast!
Someone stole all Farmer Blaskett's hens in the night!
I've been trying to ring the local policeman, but the line's always engaged!



You have a cup of tea. Goofy and I will take a look round.
I've been looking forward to this breakfast for weeks! Someone's going to pay for this!
Soon...
Maybe a fox took them?
He must've been one mighty big fox to take **all** of them!
And he must have had a **wire cutter!**
Fresh tracks! A car's been here recently!
They were made by a medium weight vehicle with worn tyres, probably a pick-up.
And he made his getaway down that lane! I'll go get our car!
Shortly...
We're not gonna get much speed up on roads like these, Goofy!
We'd probably have been quicker walking!
That looks a bit deep...maybe we **should** continue on foot.
If the thieves can cross it, so can we!
We could still back out!
Don't worry, this is probably as deep as....
...it's, er, going to get!
Just as well, since I didn't bring my scuba gear!



Gawrsh! Those crooks must have had a submarine or somethin'!
We're not far from the sea, so the river's probably tidal!
Then we can borrow Farmer Blaskett's tractor to tow it out when the tide goes out.
The sun will dry us out, so we may as well continue on foot.
Half an hour later...
The tracks have disappeared now. Maybe someone at that new-age travellers' camp saw something!
They've sure got a lot of hens!
Looks like evidence to me!
Here's someone who doesn't think so!
GRRRR!
What now, Goofy?
Er...the secret is to be decisive! You've got to show who's boss!
Snarrrl!
Sit!
I think **he's** decided to show **us** who's boss!
I'm not hanging round to disagree with him! Head for that caravan, quick!
Growrrf!

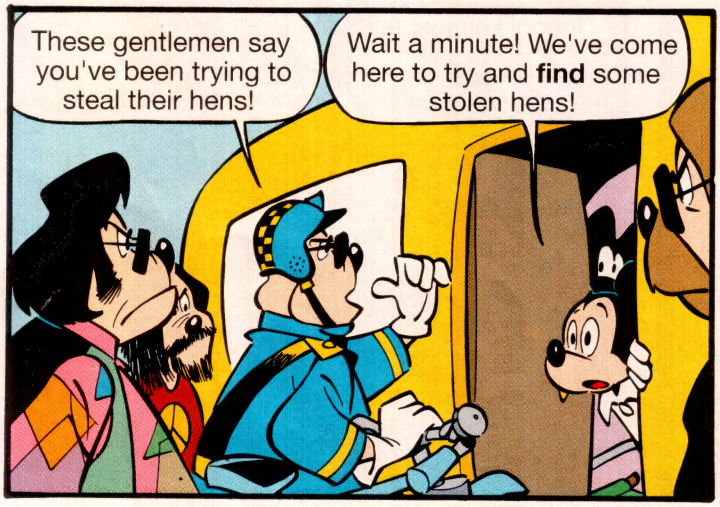


That mutt may be big, but he won't get in here!
(Gulp!) I think he's the least of our worries!
Snarrl!

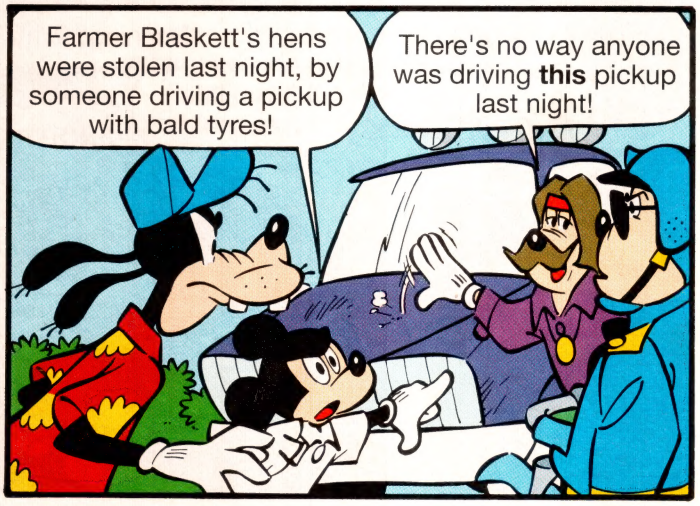
What do we do now?
We'll just have to barricade the door!

An hour later...
I wonder why they haven't tried to get us out?
They're probably waiting for reinforcements to do the job properly!

You in there! Come on out, this is the police!
Why would they call the police? Is this some kind of trap?

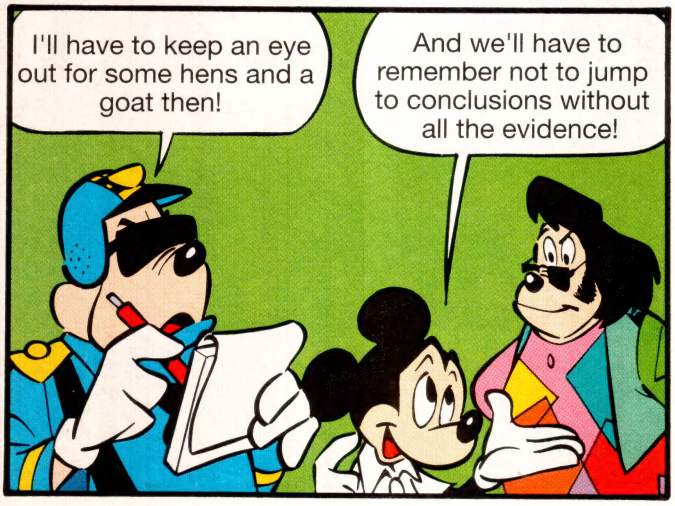


These gentlemen say you've been trying to steal their hens!
Wait a minute! We've come here to try and **find** some stolen hens!



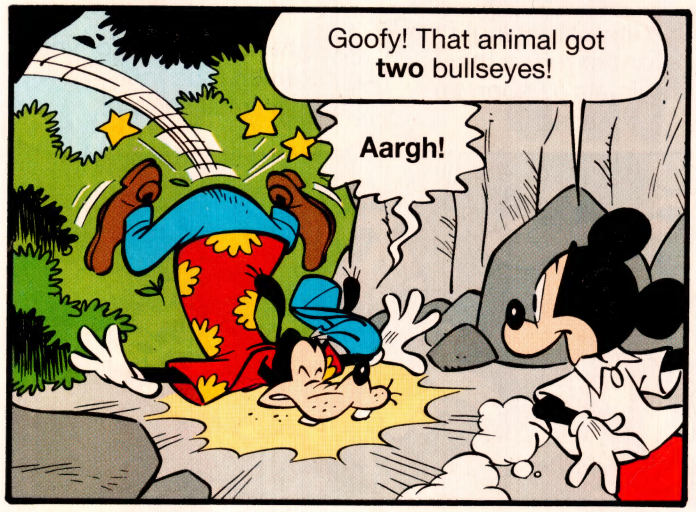
Farmer Blaskett's hens were stolen last night, by someone driving a pickup with bald tyres!
There's no way anyone was driving **this** pickup last night!

This pickup don't even go - it's a hen house!
But someone stole our goat! That's why we called the police when we saw you two sneaking about!

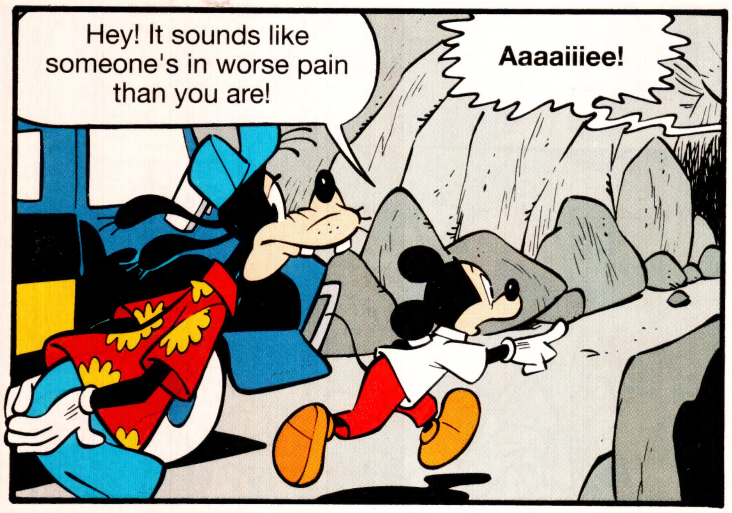


I'll have to keep an eye out for some hens and a goat then!
And we'll have to remember not to jump to conclusions without all the evidence!

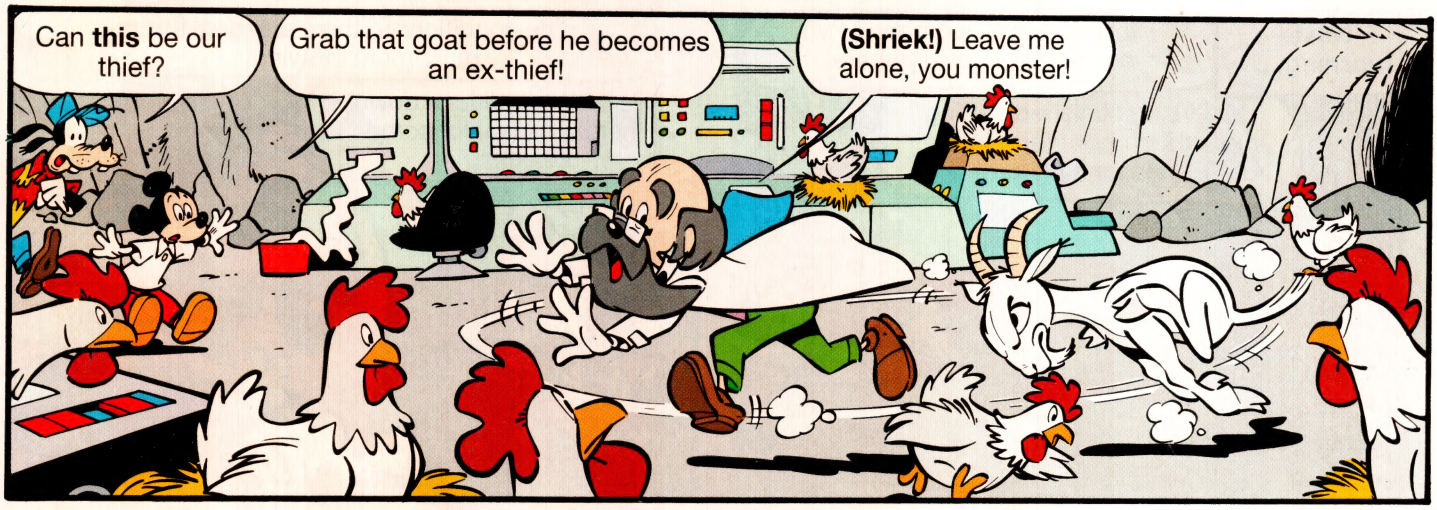
Maybe we'd better quit before we get ourselves in serious trouble!
That pickup must have turned off this lane between the camp and the farm!
What are you doing?
With such a heavy load, it must have left a trail in the grass!
Hah! A hot trail! We're in business again!
Shortly...
So much for my hot trail. What do we do now?
I think running would be a good idea!
Running? Why?
Tell you later! Just **run**!
SNORT!
Ooooh! I almost felt that myself!
Yeaagh!
Unnf!
THUNK!
Wow! A hidden pickup! Looks like that bull did me a favour!



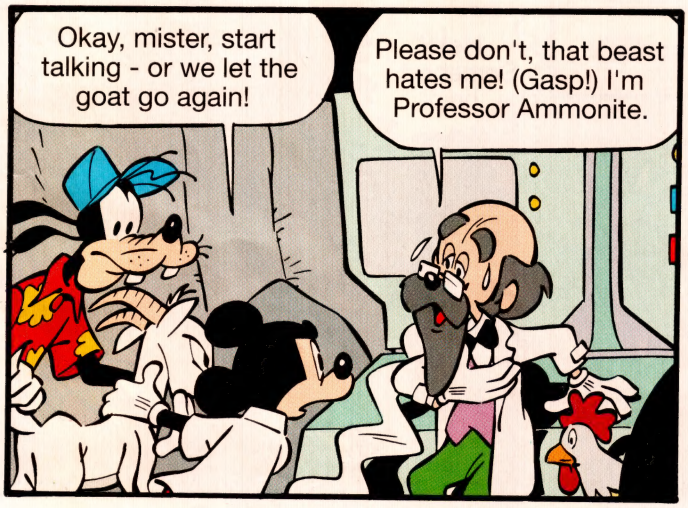
Goofy! That animal got **two** bullseyes!
Aargh!



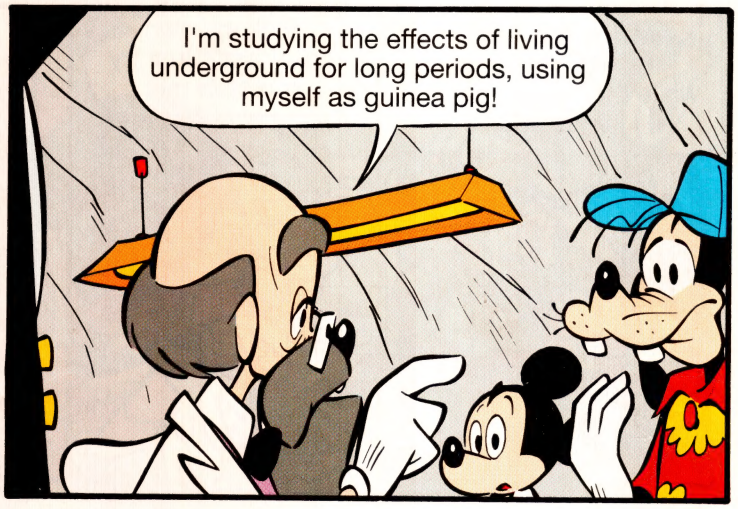
Hey! It sounds like someone's in worse pain than you are!
Aaaaiiiee!



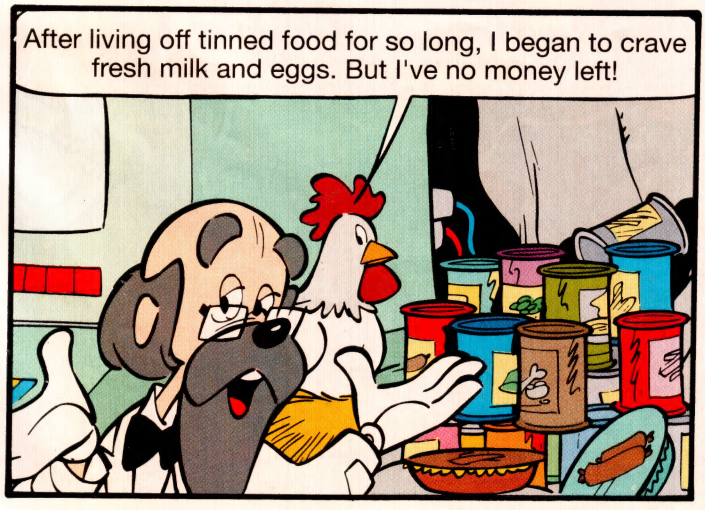
Can **this** be our thief?
Grab that goat before he becomes an ex-thief!
(Shriek!) Leave me alone, you monster!



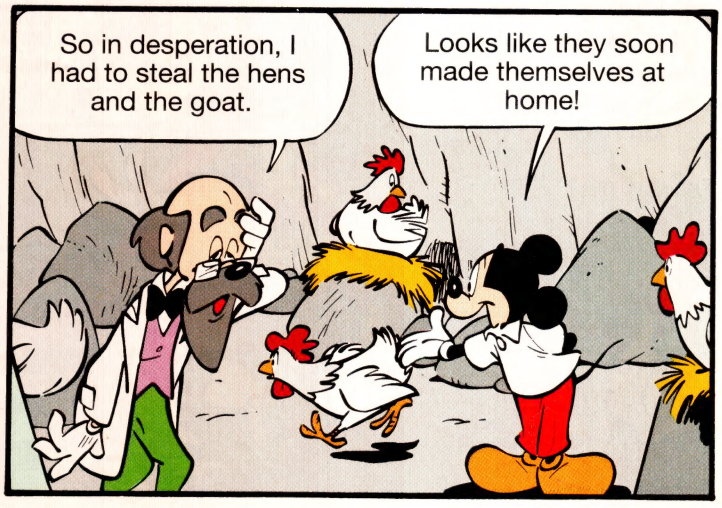
Okay, mister, start talking - or we let the goat go again!
Please don't, that beast hates me! (Gasp!) I'm Professor Ammonite.



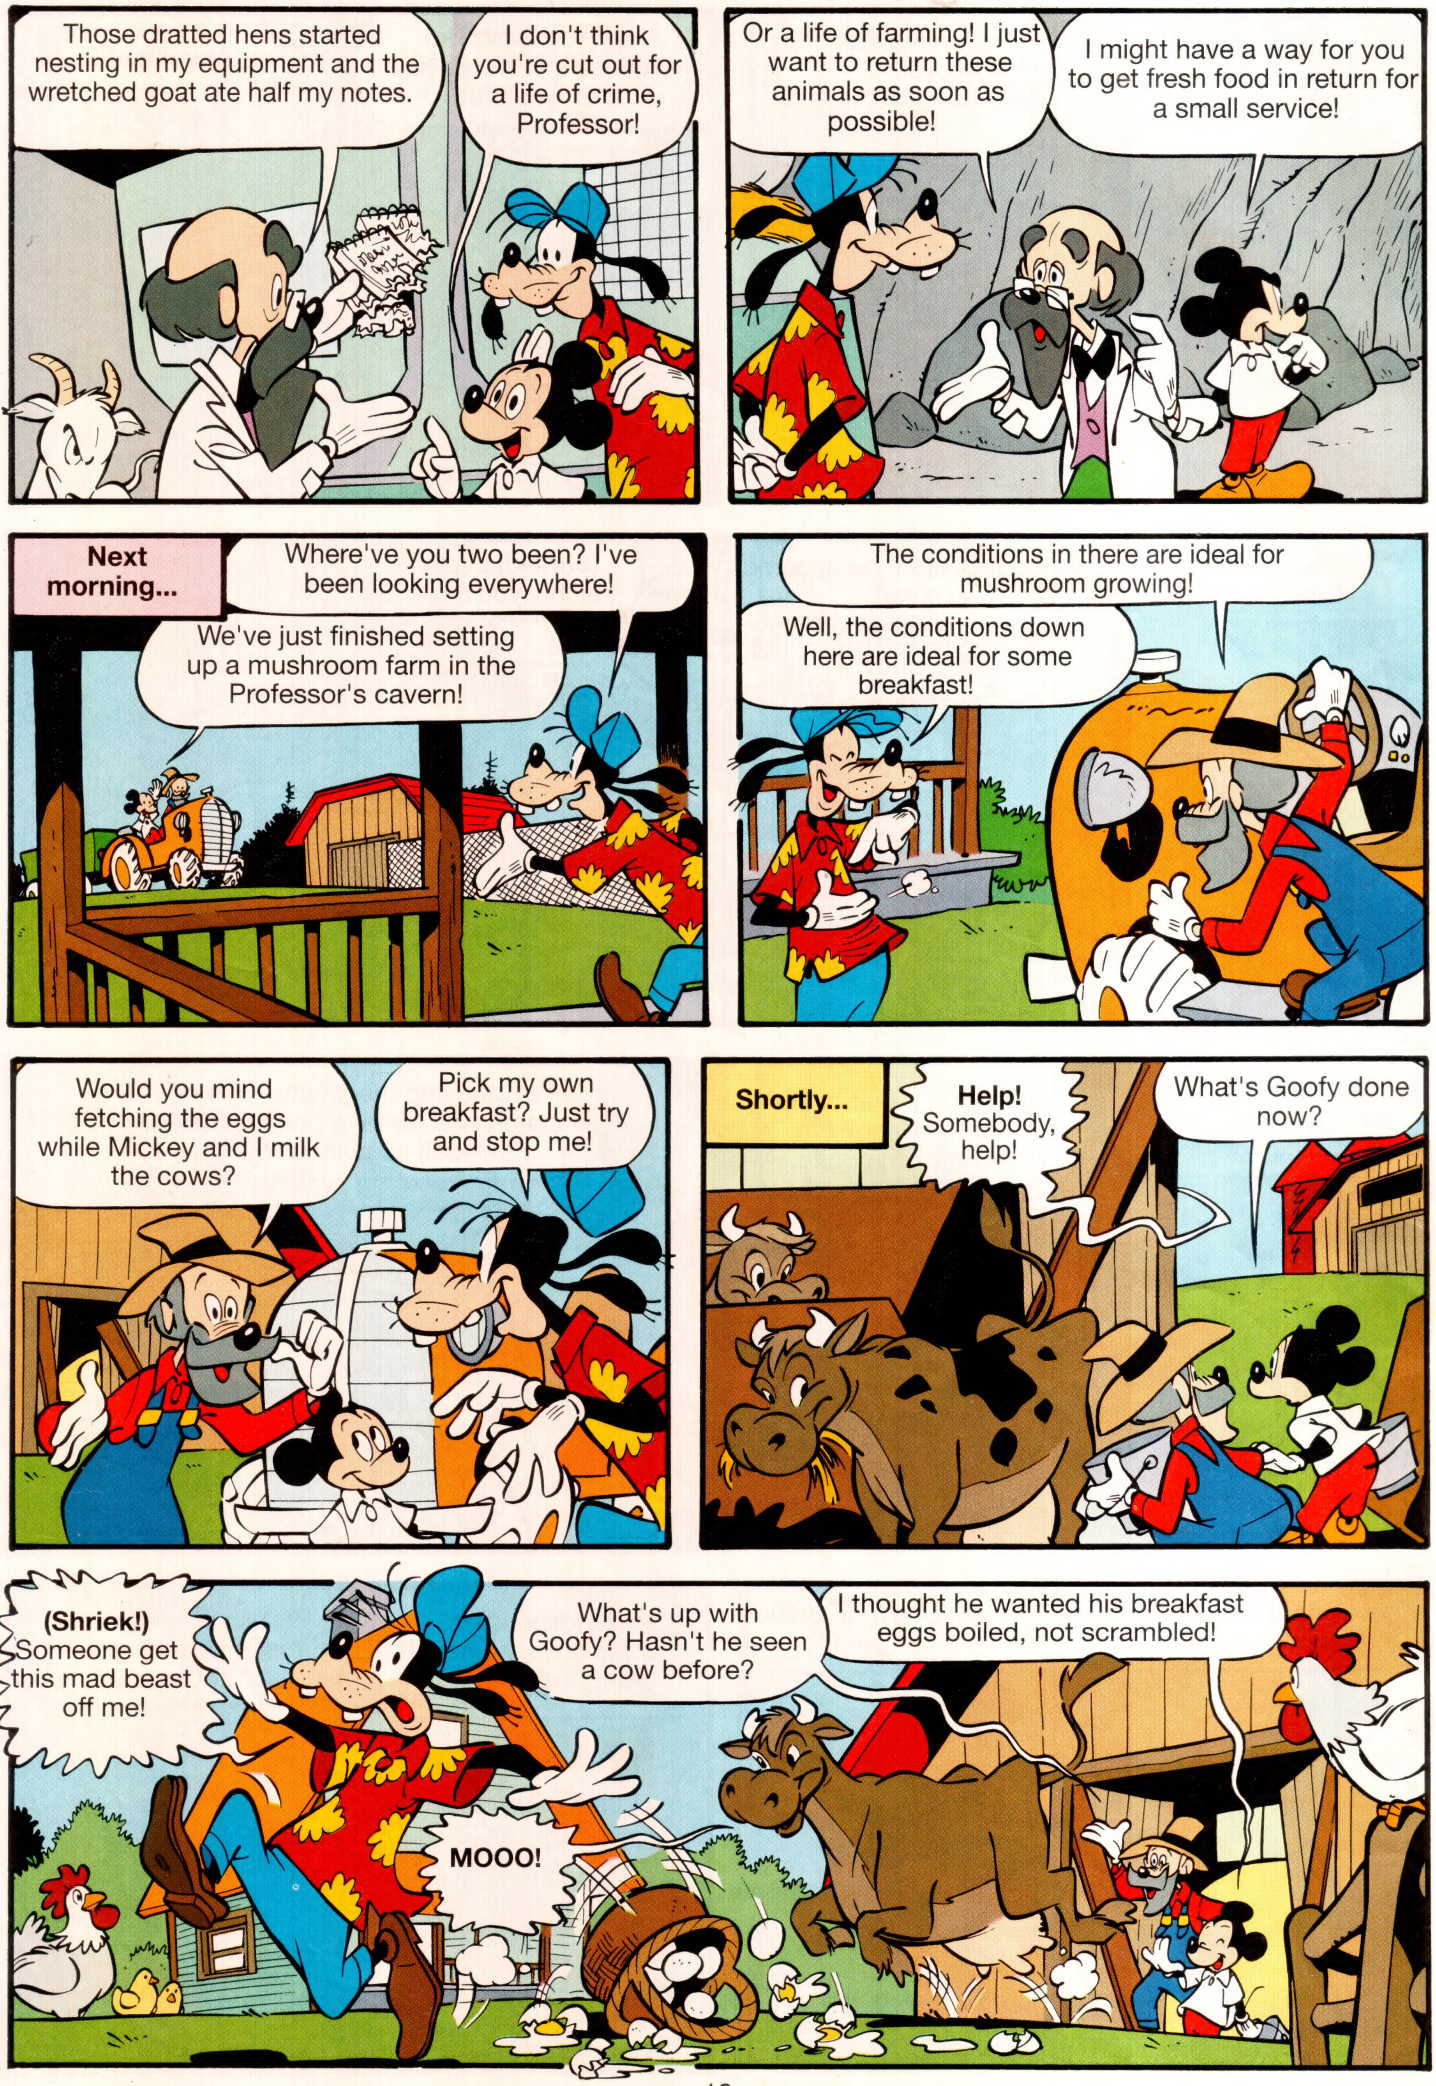
I'm studying the effects of living underground for long periods, using myself as guinea pig!



After living off tinned food for so long, I began to crave fresh milk and eggs. But I've no money left!



So in desperation, I had to steal the hens and the goat.
Looks like they soon made themselves at home!



Those dratted hens started nesting in my equipment and the wretched goat ate half my notes.
I don't think you're cut out for a life of crime, Professor!
Or a life of farming! I just want to return these animals as soon as possible!
I might have a way for you to get fresh food in return for a small service!
Next morning...
Where've you two been? I've been looking everywhere!
We've just finished setting up a mushroom farm in the Professor's cavern!
The conditions in there are ideal for mushroom growing!
Well, the conditions down here are ideal for some breakfast!
Would you mind fetching the eggs while Mickey and I milk the cows?
Pick my own breakfast? Just try and stop me!
Shortly...
Help! Somebody, help!
What's Goofy done now?
(Shriek!) Someone get this mad beast off me!
What's up with Goofy? Hasn't he seen a cow before?
I thought he wanted his breakfast eggs boiled, not scrambled!
MOOO!

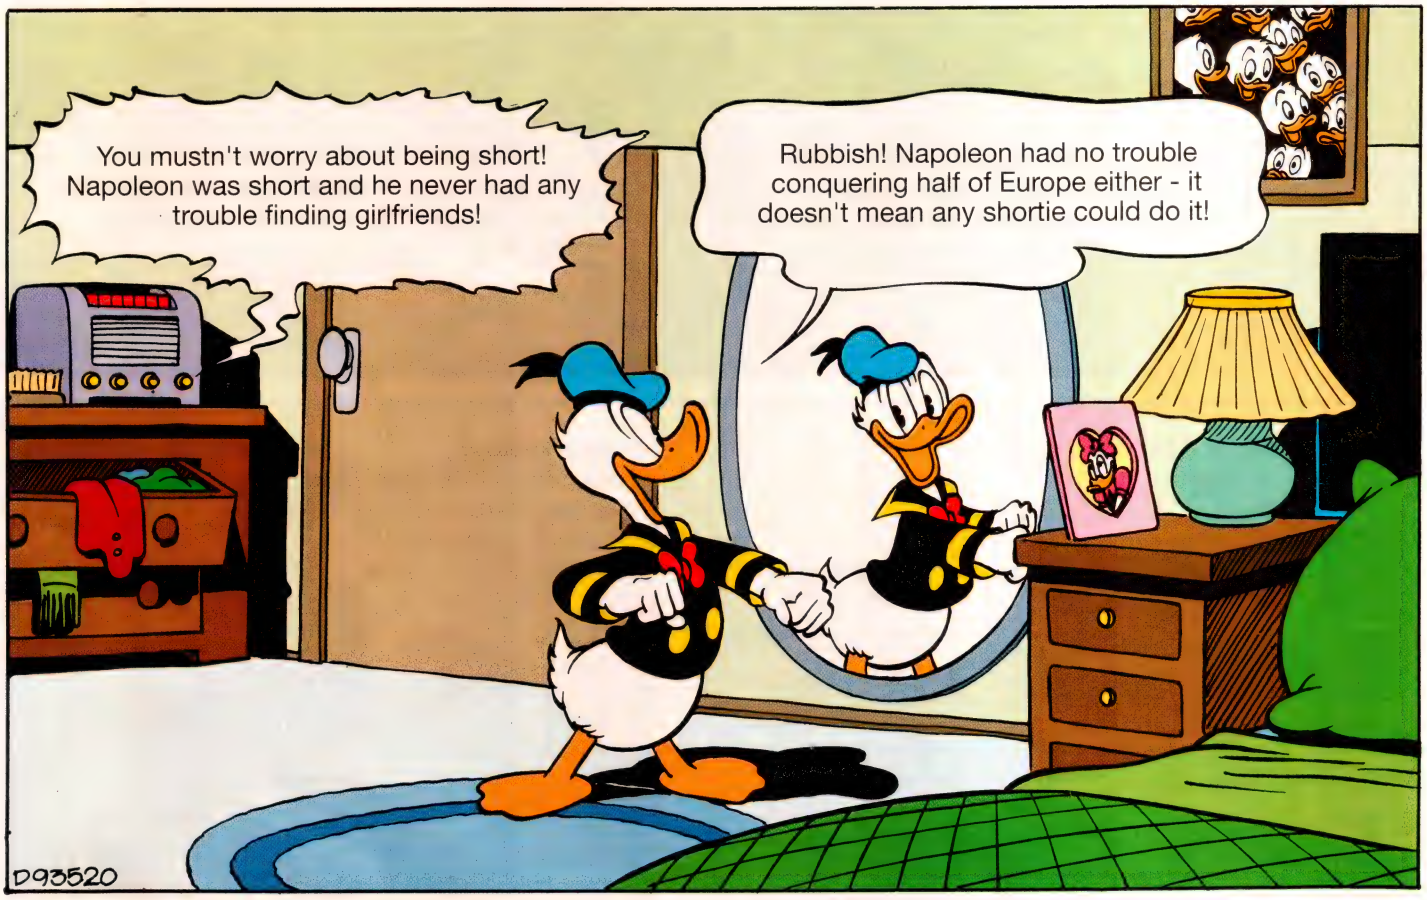
Words Of Wisdom



You mustn't worry about being short! Napoleon was short and he never had any trouble finding girlfriends!
Rubbish! Napoleon had no trouble conquering half of Europe either - it doesn't mean any shortie could do it!

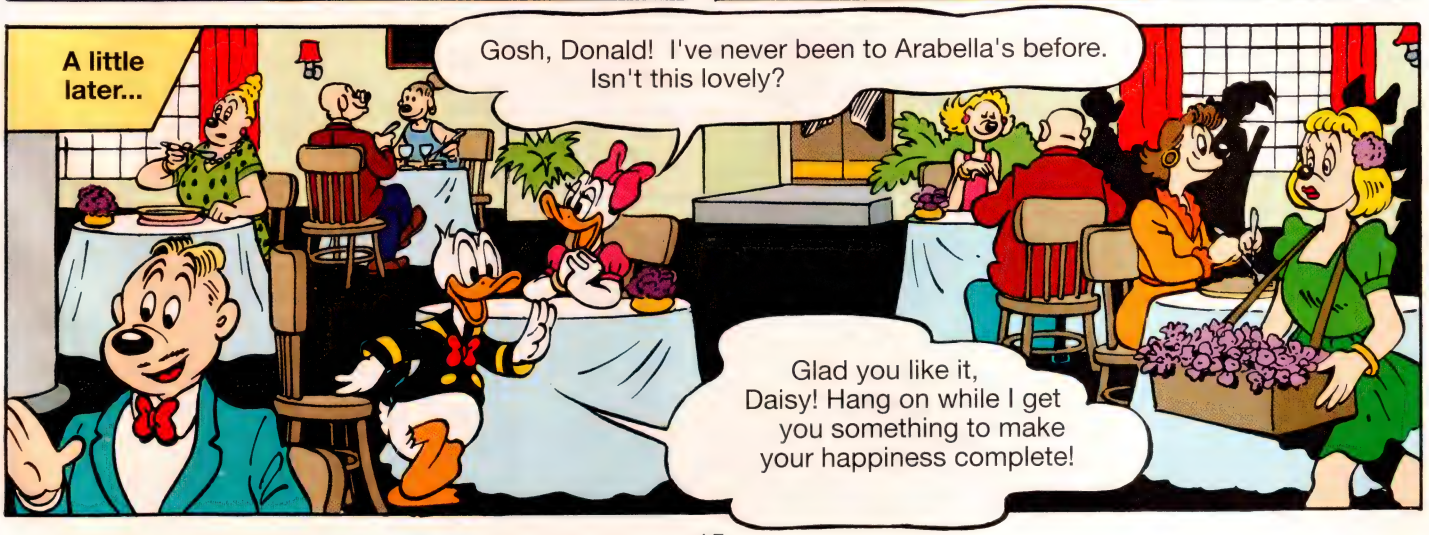
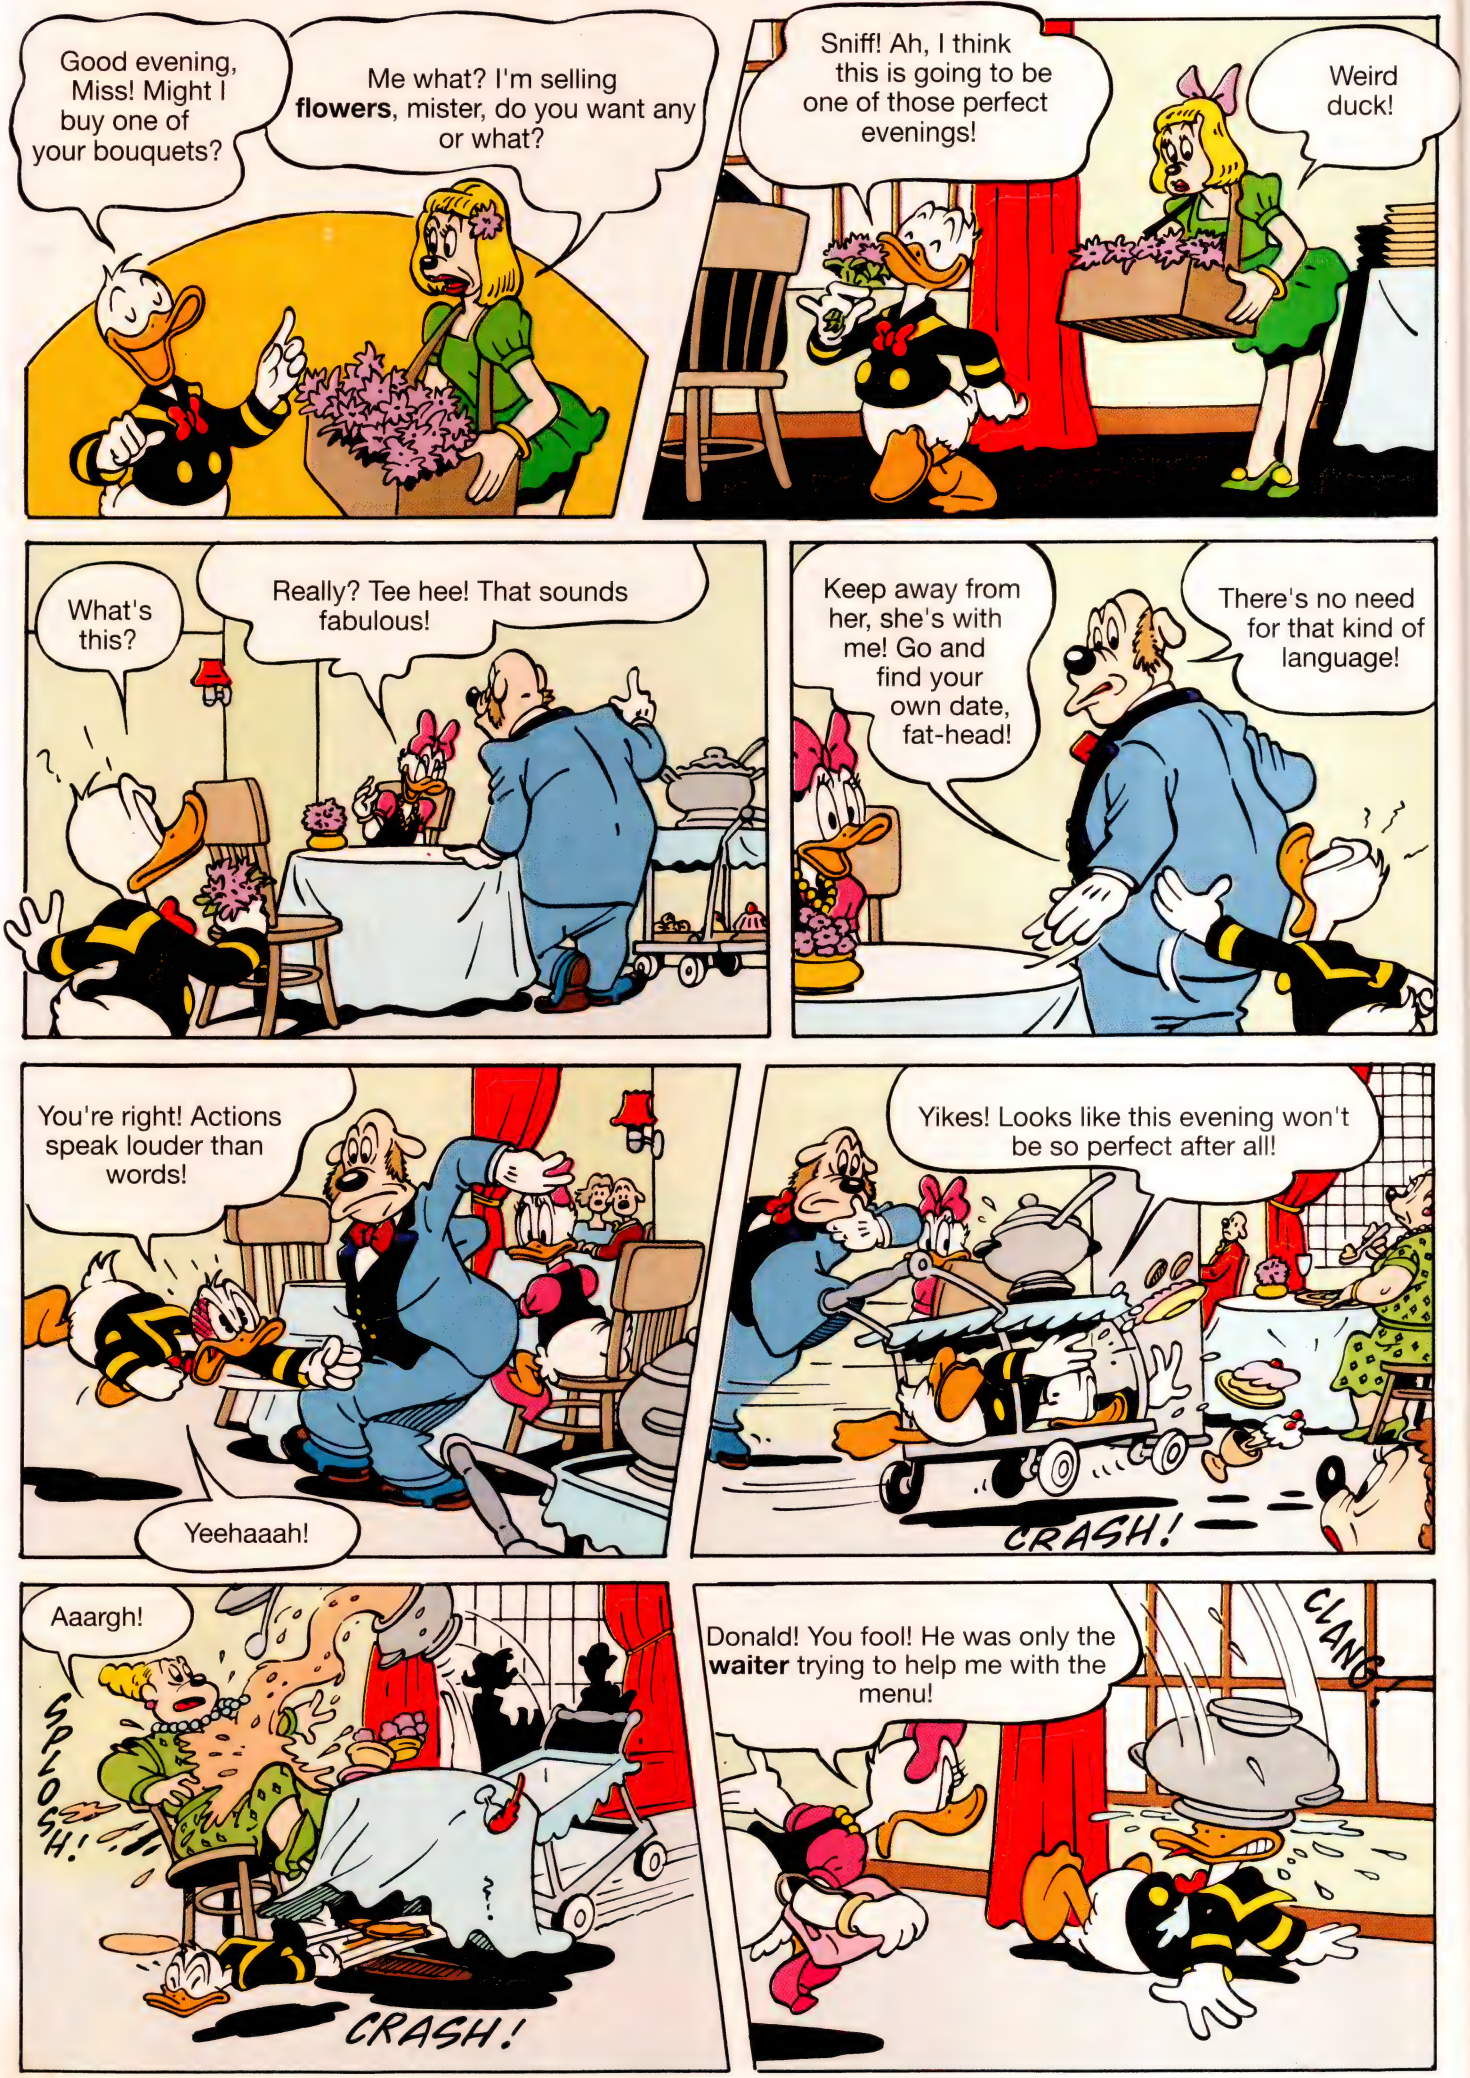
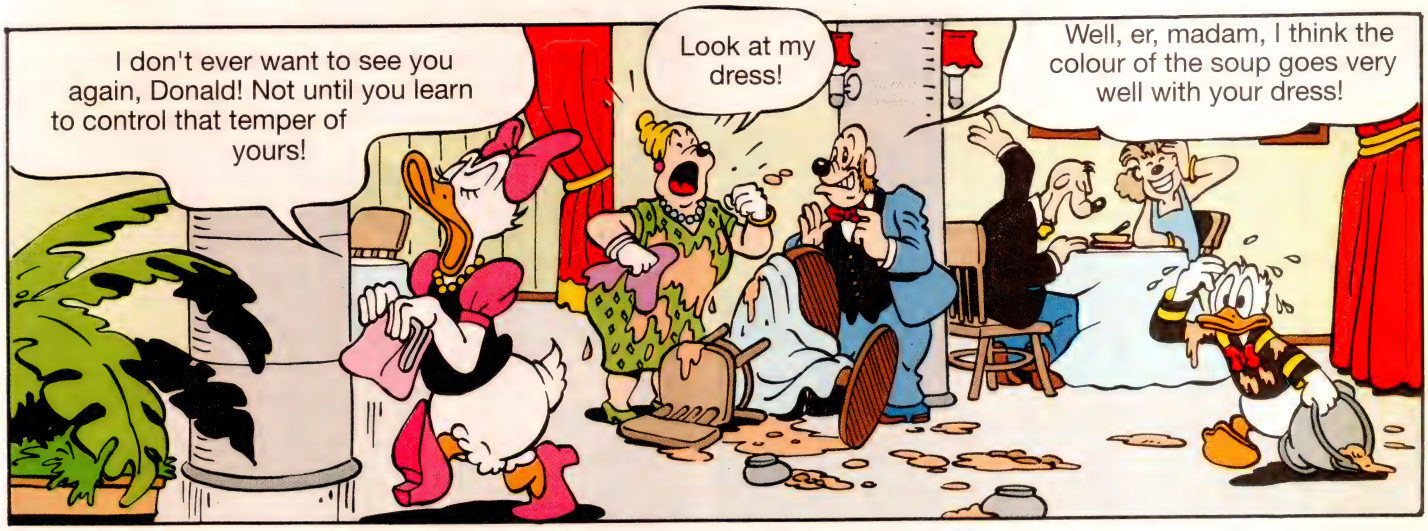
...and I'm afraid that's all I've got time for on Aunt Hildegarde's Agony Hour today!
That's all I've got time for, too! I've got a date with Daisy!
CLICK!



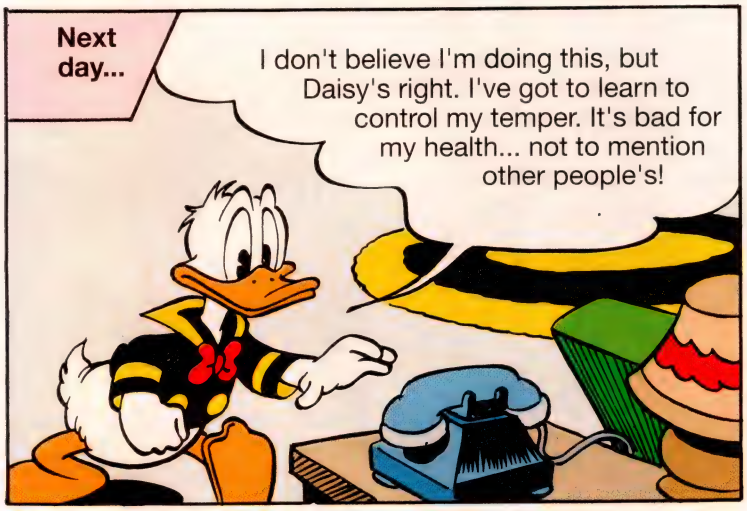
A little later...
Gosh, Donald! I've never been to Arabella's before. Isn't this lovely?
Glad you like it, Daisy! Hang on while I get you something to make your happiness complete!



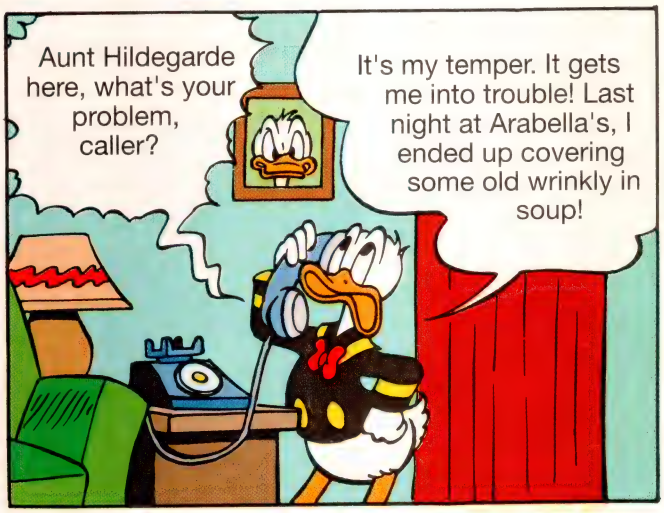
Good evening, Miss! Might I buy one of your bouquets?
Me what? I'm selling **flowers**, mister, do you want any or what?
Sniff! Ah, I think this is going to be one of those perfect evenings!
Weird duck!
What's this?
Really? Tee hee! That sounds fabulous!
Keep away from her, she's with me! Go and find your own date, fat-head!
There's no need for that kind of language!
You're right! Actions speak louder than words!
Yeehaaah!
Yikes! Looks like this evening won't be so perfect after all!
CRASH!
Aaargh!
SPLOSH!
CRASH!
Donald! You fool! He was only the **waiter** trying to help me with the menu!
CLANG!



I don't ever want to see you again, Donald! Not until you learn to control that temper of yours!
Look at my dress!
Well, er, madam, I think the colour of the soup goes very well with your dress!



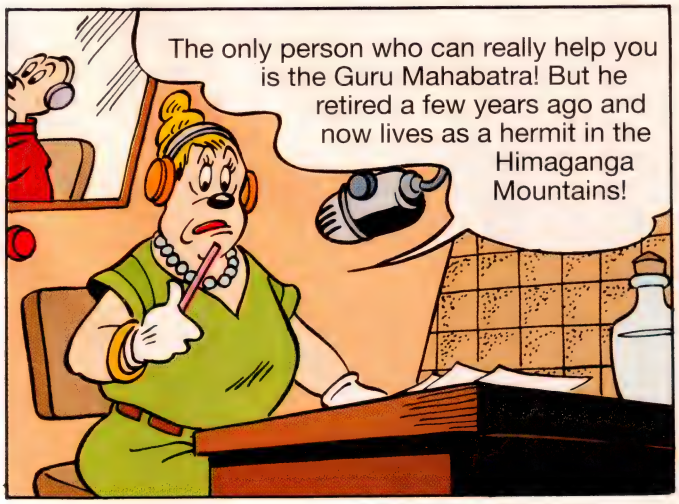
Next day...
I don't believe I'm doing this, but Daisy's right. I've got to learn to control my temper. It's bad for my health... not to mention other people's!



Aunt Hildegarde here, what's your problem, caller?
It's my temper. It gets me into trouble! Last night at Arabella's, I ended up covering some old wrinkly in soup!

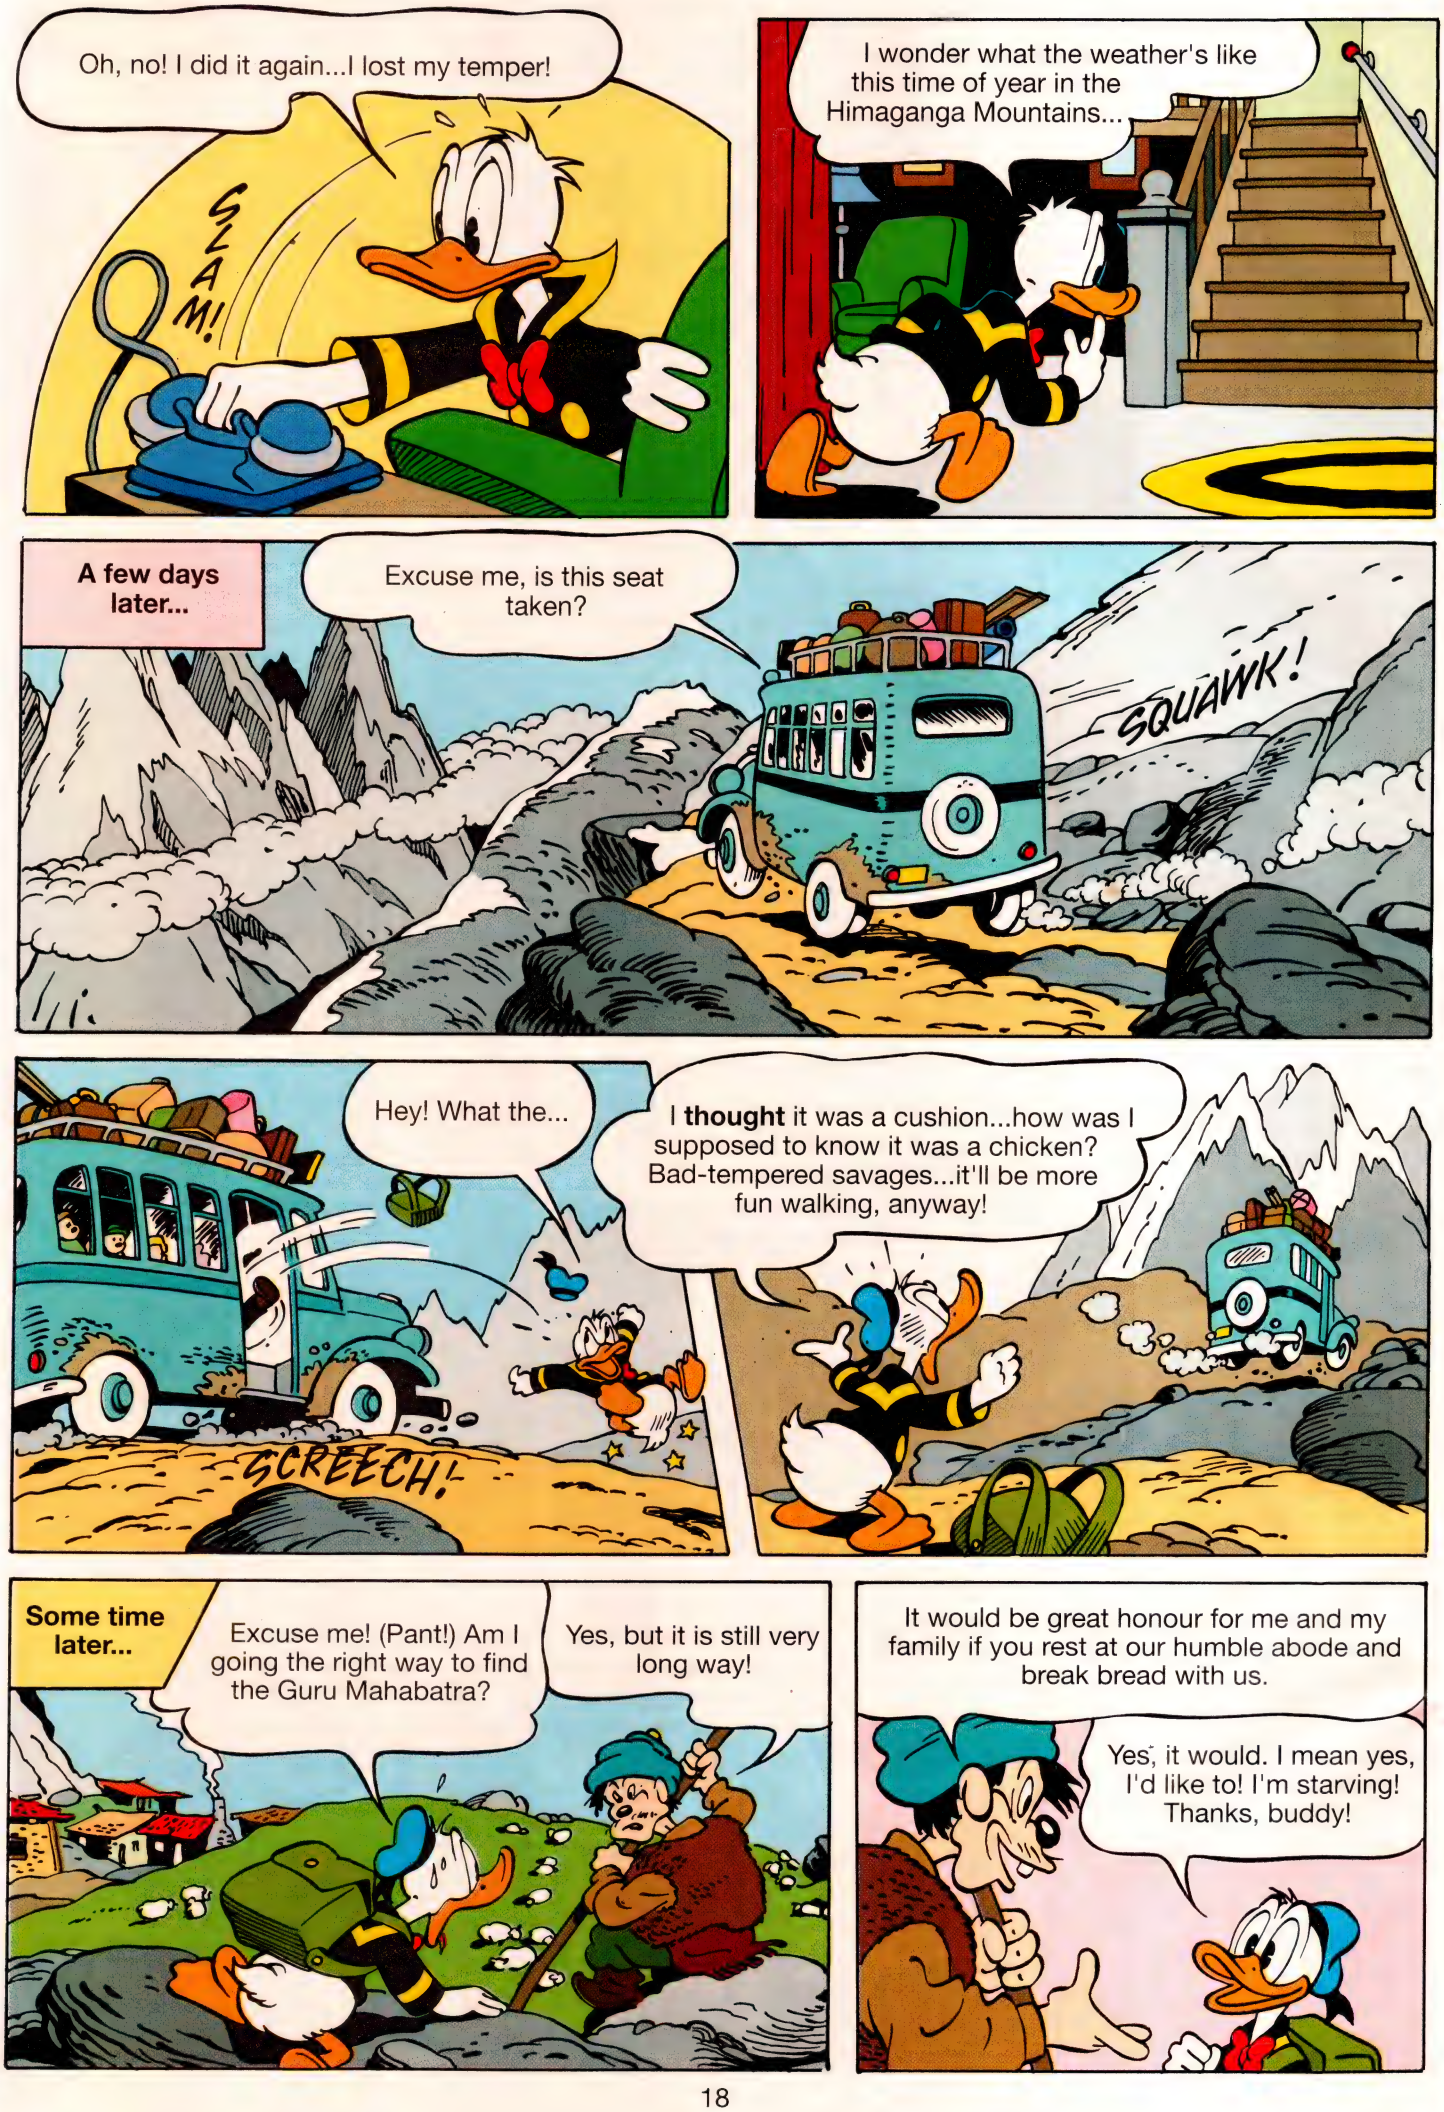
Wrinkly? **Wrinkly**, am I? Well, I'll give you some advice...go and take a running jump in the nearest lake!
ON AIR

Please! You must help me! My girlfriend won't speak to me anymore! I'm desperate!
Oh, very well then! It might cut down on my dry cleaning bills!

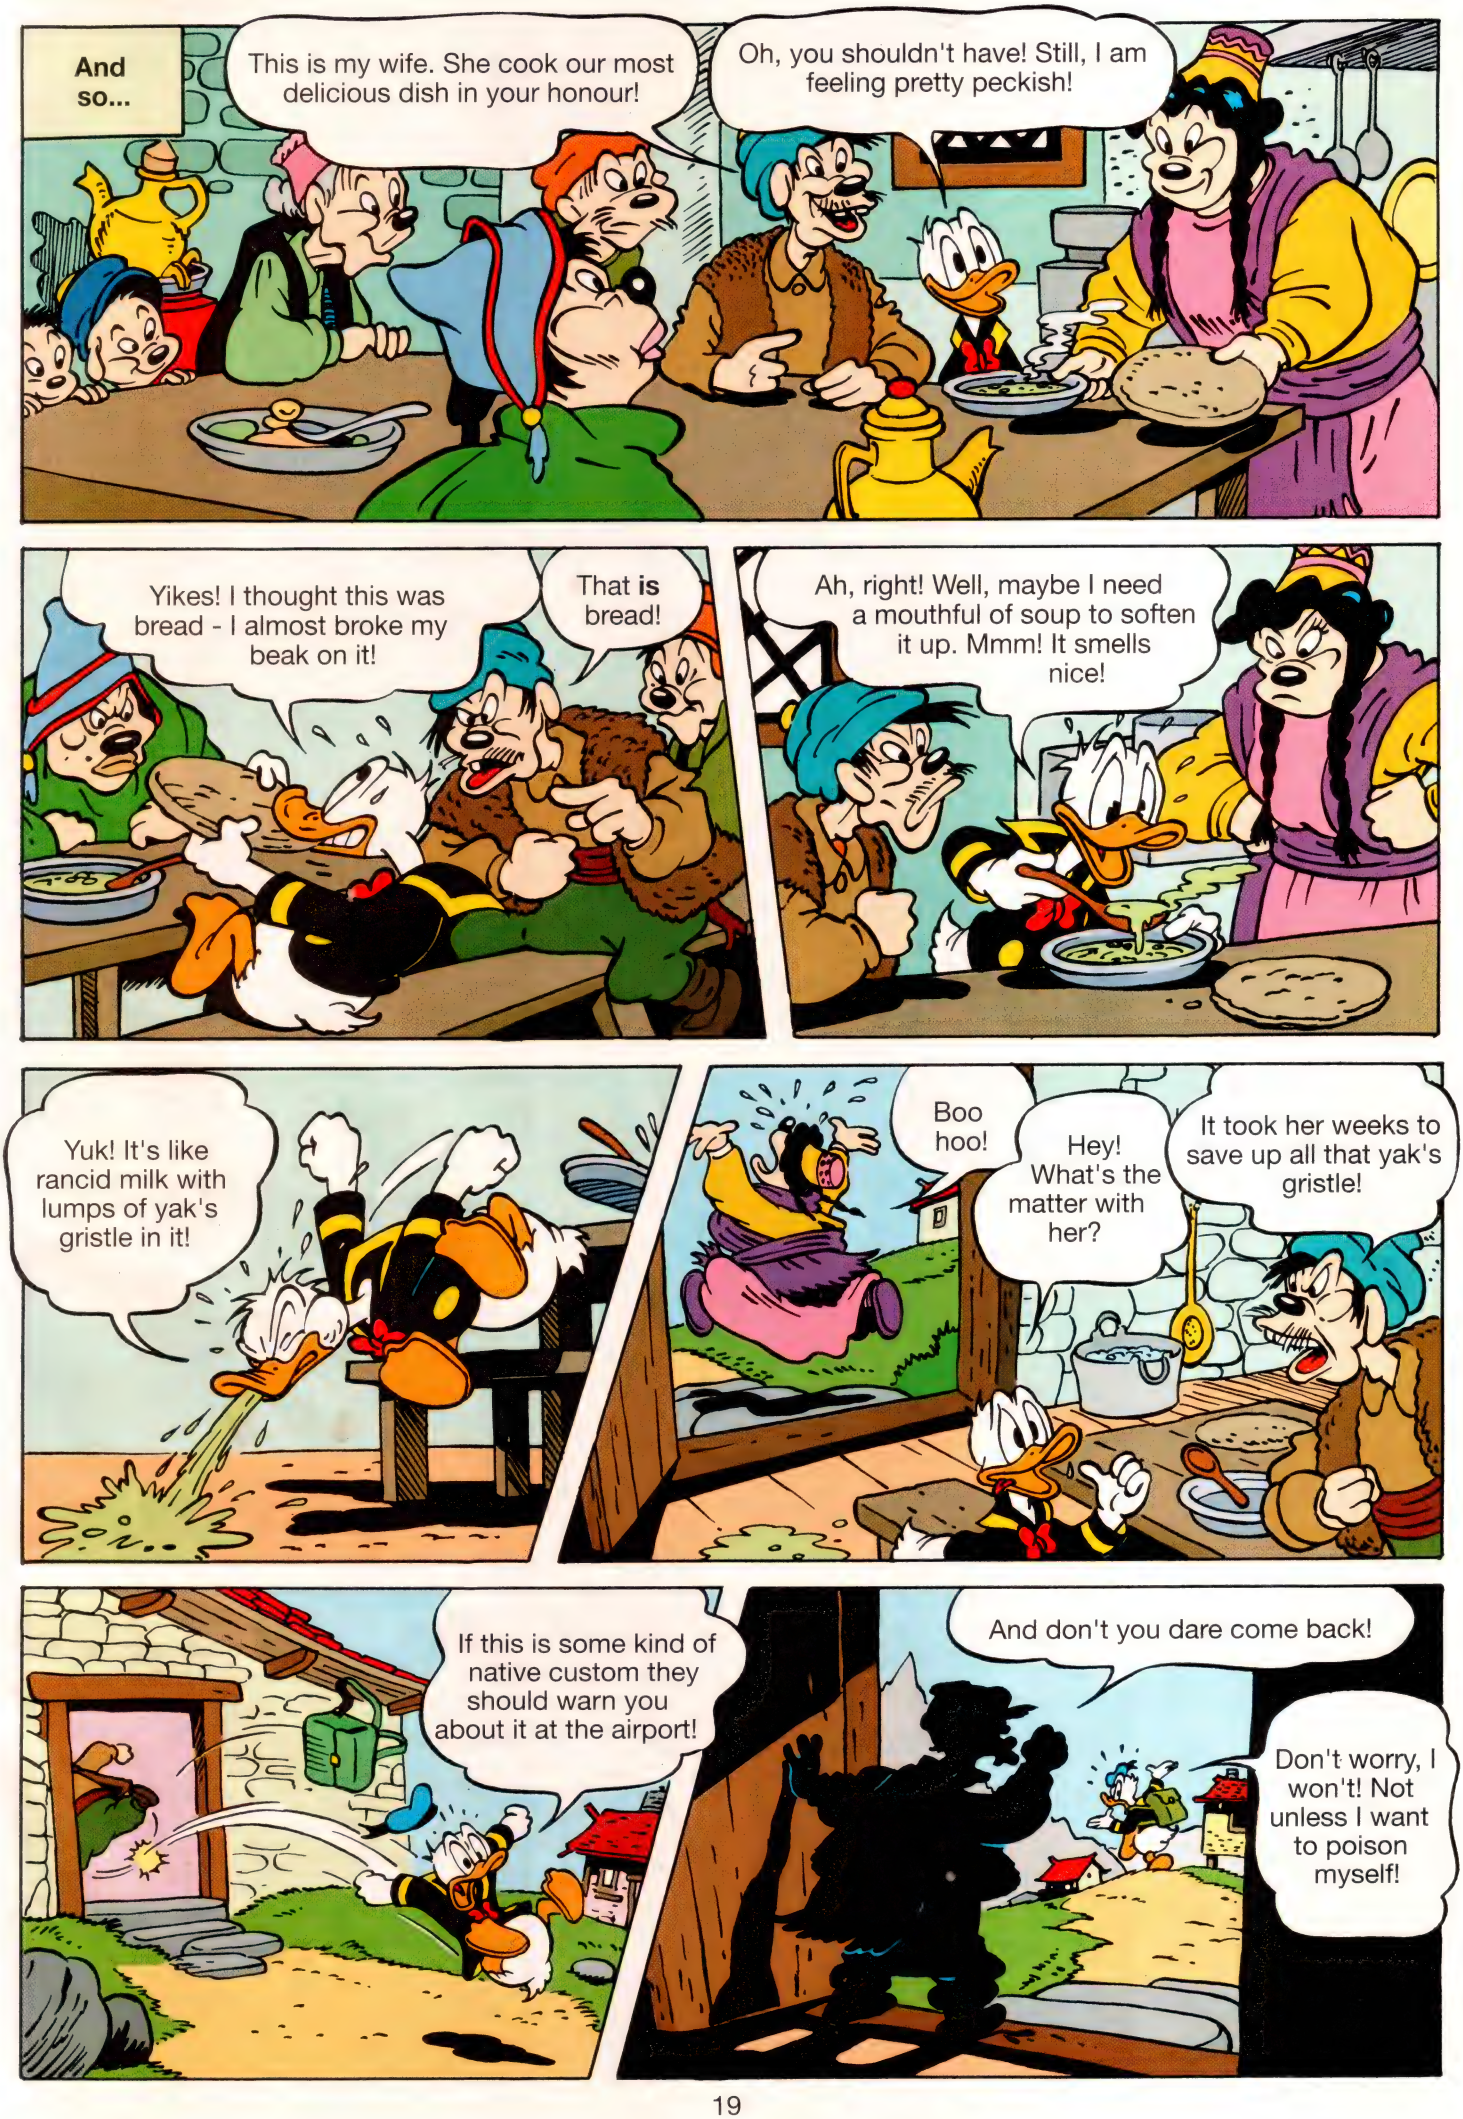


The only person who can really help you is the Guru Mahabatra! But he retired a few years ago and now lives as a hermit in the Himaganga Mountains!

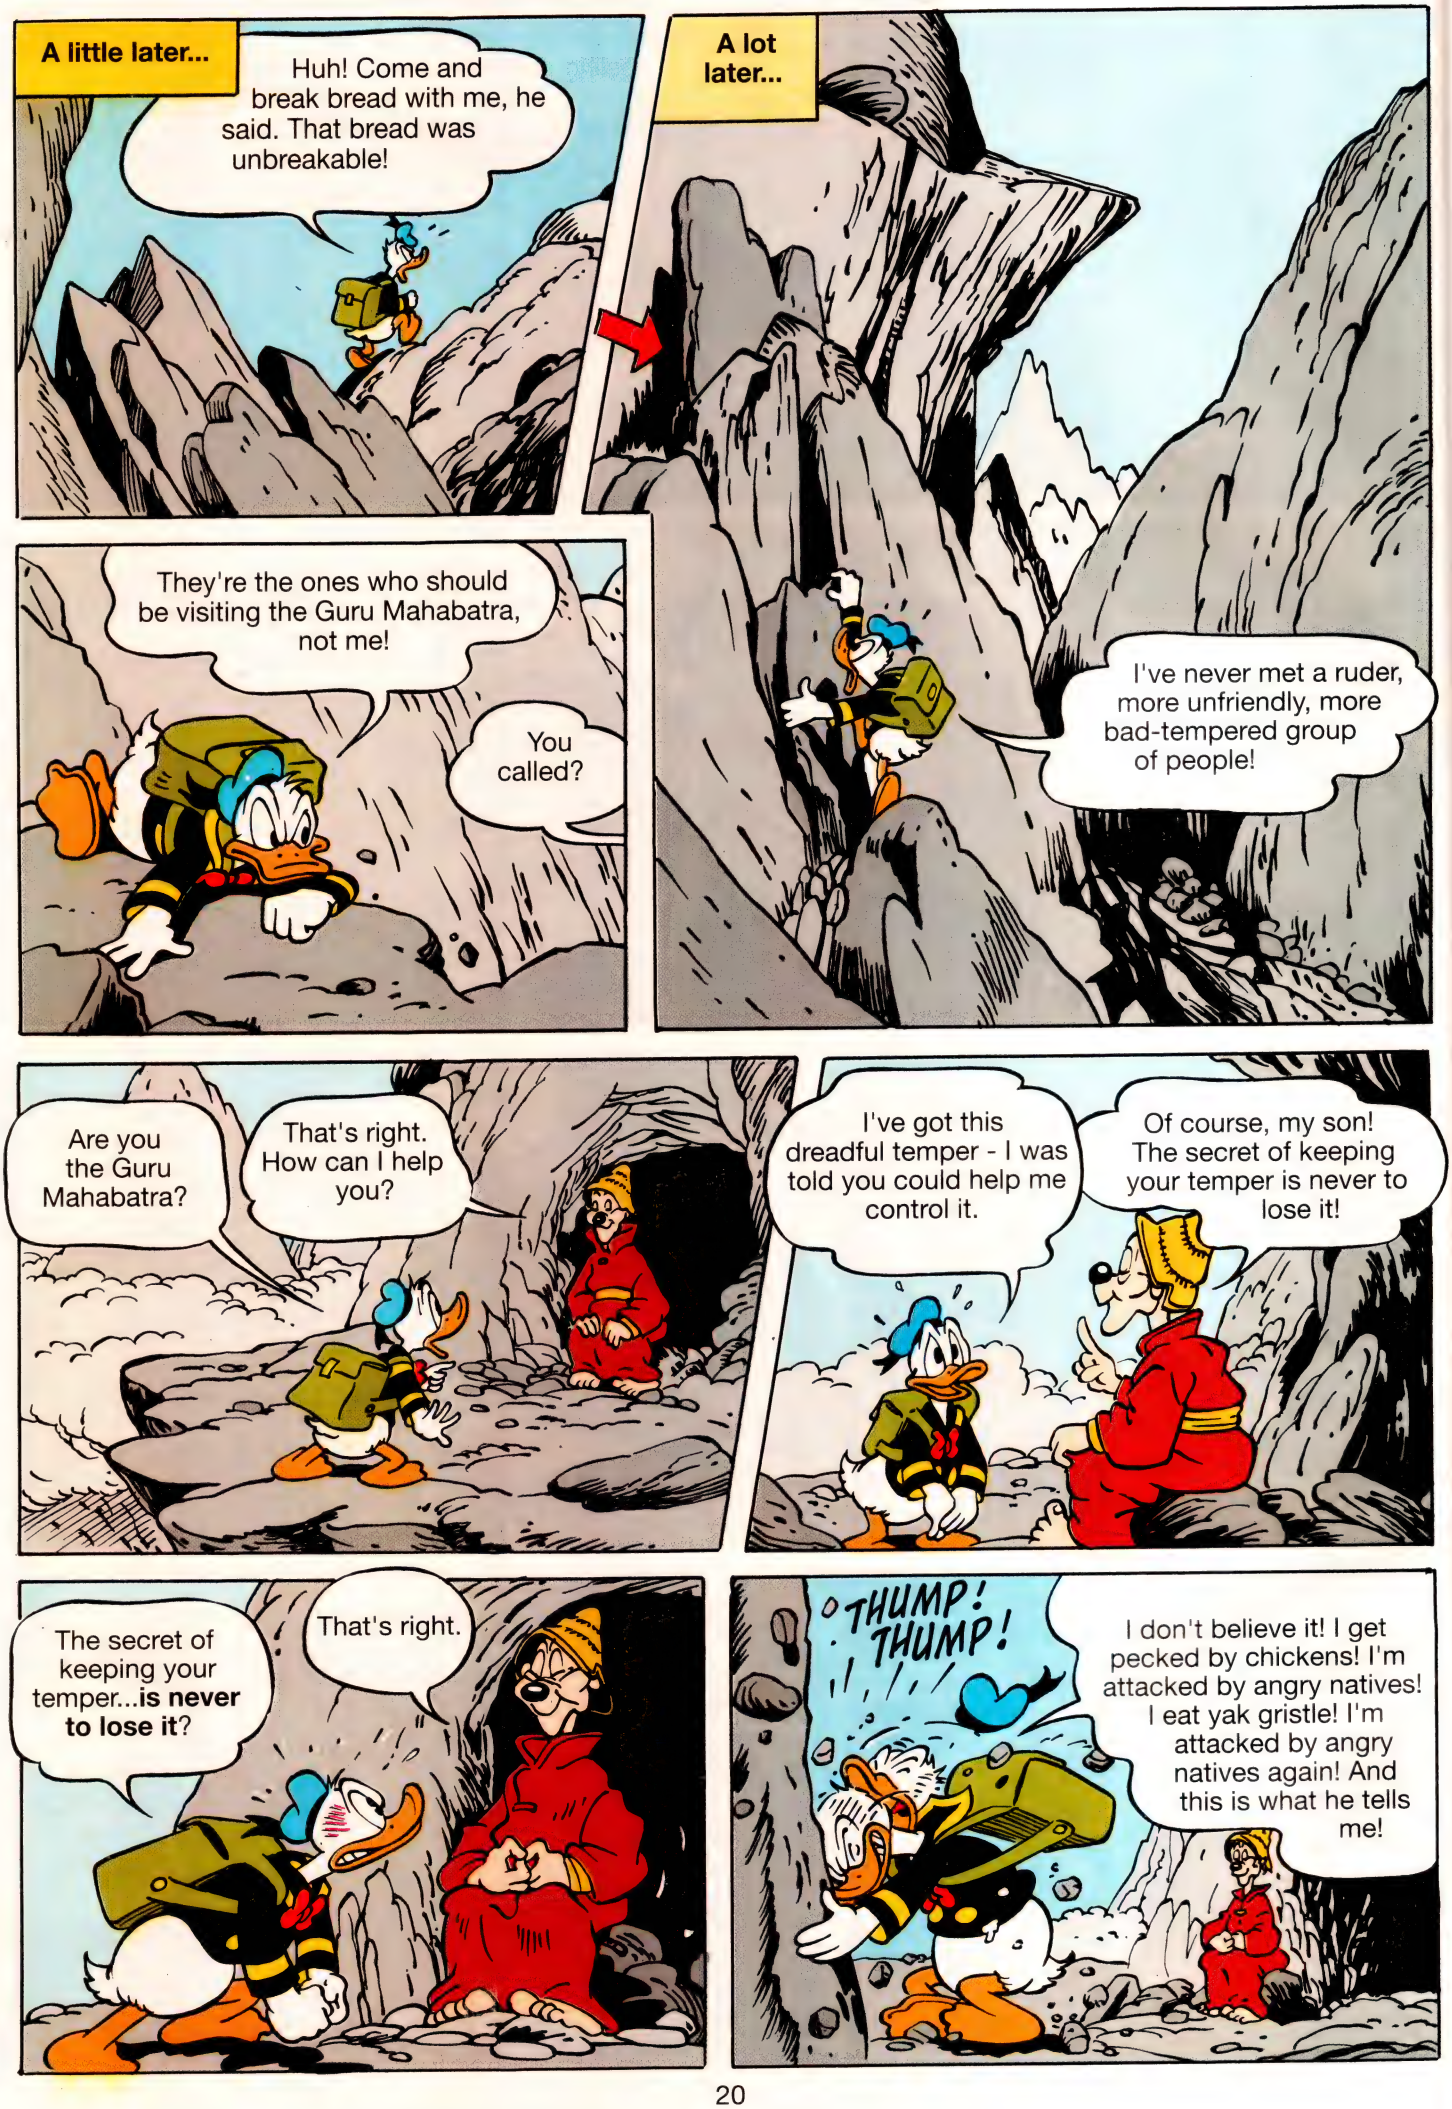
That's a fat lot of good! Call yourself an Agony Aunt? You **deserve** to have soup spilt all over you!



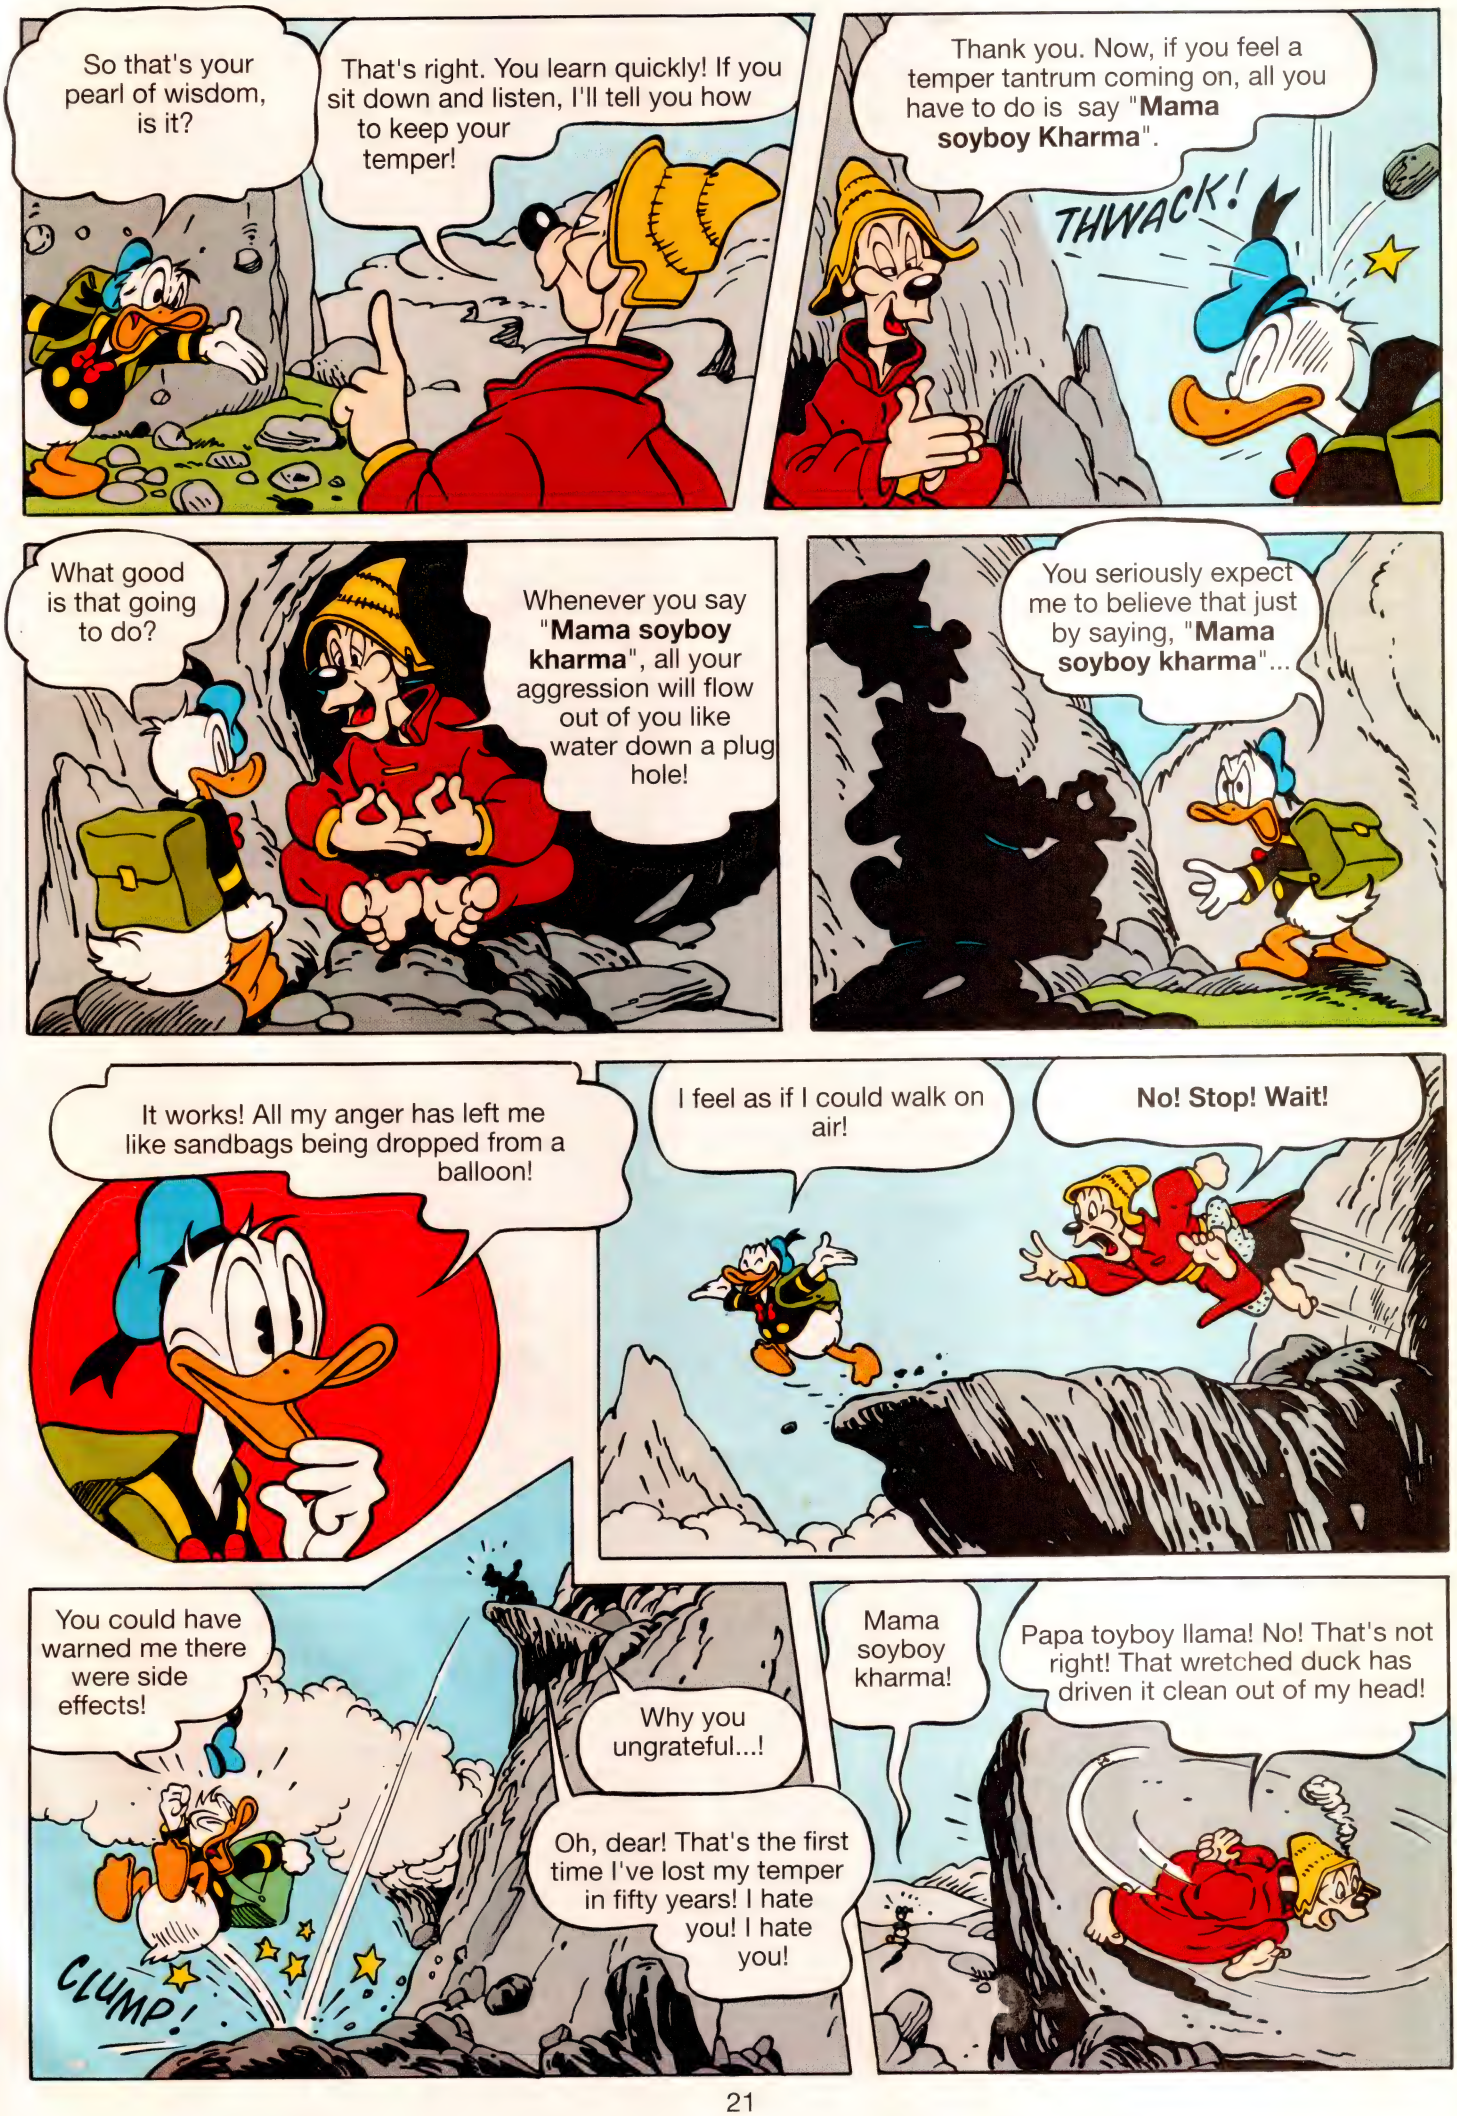
Oh, no! I did it again...I lost my temper!
SLAM!
I wonder what the weather's like this time of year in the Himaganga Mountains...
A few days later...
Excuse me, is this seat taken?
SQUAWK!
Hey! What the...
I thought it was a cushion...how was I supposed to know it was a chicken? Bad-tempered savages...it'll be more fun walking, anyway!
SCREECH!
Some time later...
Excuse me! (Pant!) Am I going the right way to find the Guru Mahabatra?
Yes, but it is still very long way!
It would be great honour for me and my family if you rest at our humble abode and break bread with us.
Yes, it would. I mean yes, I'd like to! I'm starving! Thanks, buddy!



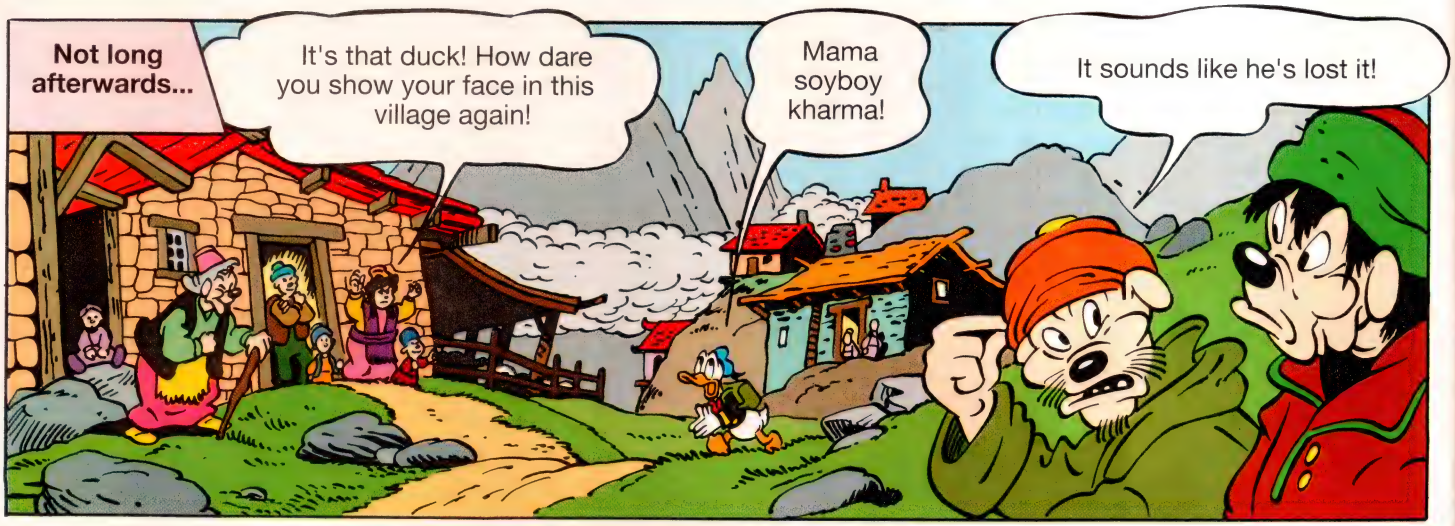
And so...
This is my wife. She cook our most delicious dish in your honour!
Oh, you shouldn't have! Still, I am feeling pretty peckish!
Yikes! I thought this was bread - I almost broke my beak on it!
That is bread!
Ah, right! Well, maybe I need a mouthful of soup to soften it up. Mmm! It smells nice!
Yuk! It's like rancid milk with lumps of yak's gristle in it!
Boo hoo!
Hey! What's the matter with her?
It took her weeks to save up all that yak's gristle!
If this is some kind of native custom they should warn you about it at the airport!
And don't you dare come back!
Don't worry, I won't! Not unless I want to poison myself!



A little later...
Huh! Come and break bread with me, he said. That bread was unbreakable!
A lot later...
I've never met a ruder, more unfriendly, more bad-tempered group of people!
They're the ones who should be visiting the Guru Mahabatra, not me!
You called?
Are you the Guru Mahabatra?
That's right. How can I help you?
I've got this dreadful temper - I was told you could help me control it.
Of course, my son! The secret of keeping your temper is never to lose it!
The secret of keeping your temper...**is never to lose it**?
That's right.
THUMP! THUMP!
I don't believe it! I get pecked by chickens! I'm attacked by angry natives! I eat yak gristle! I'm attacked by angry natives again! And this is what he tells me!



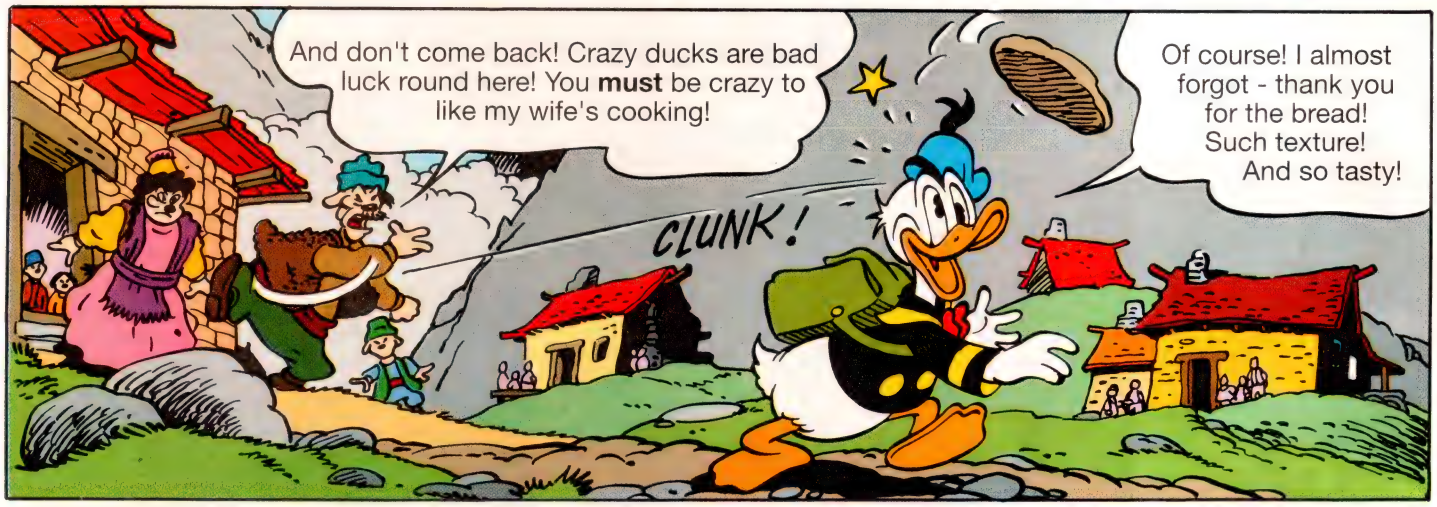
So that's your pearl of wisdom, is it?
That's right. You learn quickly! If you sit down and listen, I'll tell you how to keep your temper!
Thank you. Now, if you feel a temper tantrum coming on, all you have to do is say "**Mama soyboy Kharma**".
THWACK!
What good is that going to do?
Whenever you say "**Mama soyboy kharma**", all your aggression will flow out of you like water down a plug hole!
You seriously expect me to believe that just by saying, "**Mama soyboy kharma**"...
It works! All my anger has left me like sandbags being dropped from a balloon!
I feel as if I could walk on air!
No! Stop! Wait!
You could have warned me there were side effects!
CLUMP!
Why you ungrateful...!
Oh, dear! That's the first time I've lost my temper in fifty years! I hate you! I hate you!
Mama soyboy kharma!
Papa toyboy llama! No! That's not right! That wretched duck has driven it clean out of my head!



Not long afterwards...
It's that duck! How dare you show your face in this village again!
Mama soyboy kharma!
It sounds like he's lost it!

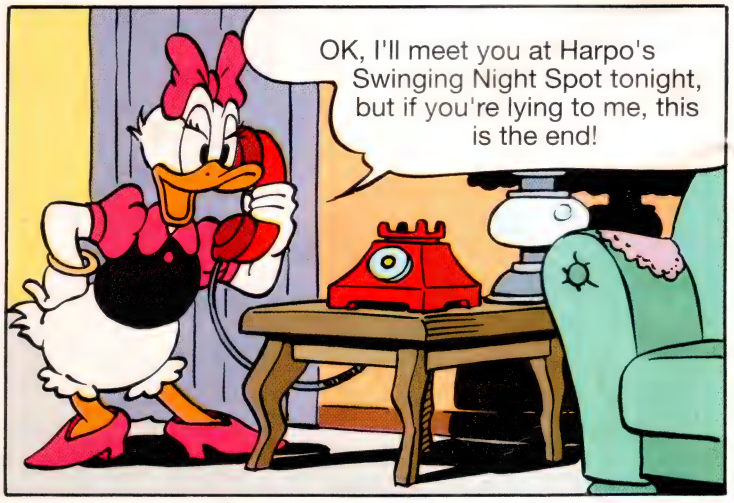
I'm sorry I didn't get the chance to thank you for the lovely dinner on my last visit!

Yak's gristle soup **is** an acquired taste. Maybe he's acquired it! Maybe we should offer him some more!
No soup left. Give him some bread instead!



And don't come back! Crazy ducks are bad luck round here! You **must** be crazy to like my wife's cooking!
Of course! I almost forgot - thank you for the bread! Such texture! And so tasty!
CLUNK!

Back at home...
Hi, Daisy, it's me. Please don't put the phone down! I'm a changed duck! I don't lose my temper anymore - honest!



OK, I'll meet you at Harpo's Swinging Night Spot tonight, but if you're lying to me, this is the end!

That evening...
Daisy...that's a beautiful name. I once picked a flower called Daisy. Maybe they named it after you!
HARPO'S SWINGING NIGHT SPOT
Oh, no!
I mustn't lose my temper. I **will** keep calm. **Mama soyboy kharma!**
Hello, Daisy!
See! I **do** have a boyfriend! Now you'd better get lost! He's got a vicious temper!
There's no need for that tone of voice, Daisy! I'm sure we can all be friends if we just make a little effort!
You don't want to go out with a wimp like him! Come on, babe! Let's dance!
Donald! **Do** something!
Don't worry, I'm not going to lose my temper. And I don't need to resort to violence!
Oh, **don't** you? Well, **I** will then!
THWACK!
I never want to see you again, Donald! You're a wimp and a coward!
What?

But Daisy, violence is never the answer!
SWINGING NIGHT SPOT
No! But sometimes it makes people feel better!
Mama soyboy kharma!
THWACK!
How would you like your crepe suzette, sir?
How about on a plate?
Yikes! I think we've been here before!
You!
Am I seeing things, or is it raining in here?
That fire set the sprinklers off!
It's that duck's fault!
Grab him!
Let me get my hands on him! They don't call me an Agony Aunt for nothing!
Temper, temper! All together now: "Mama soyboy kharma"!

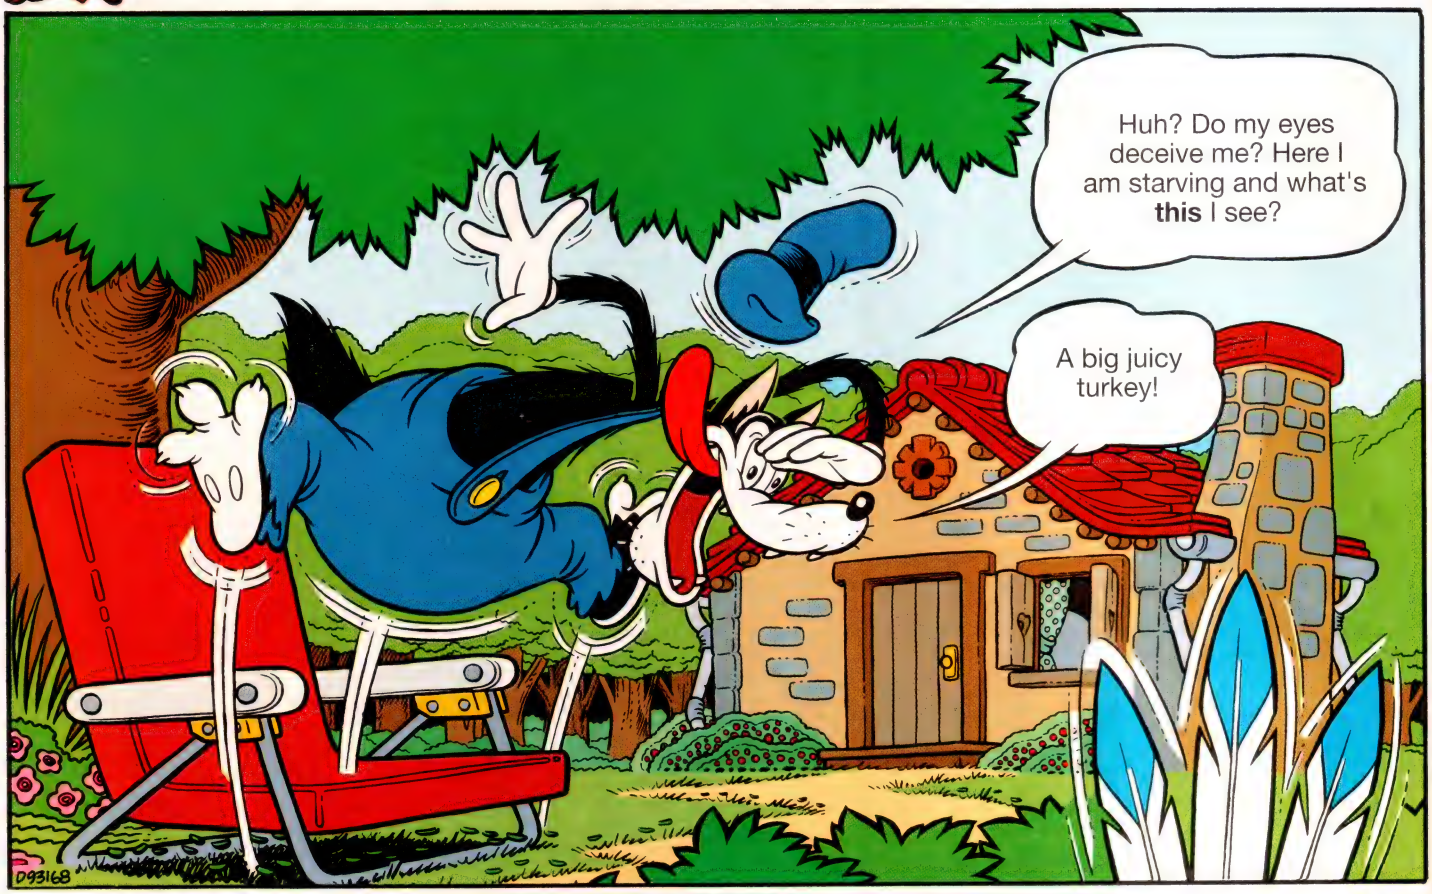
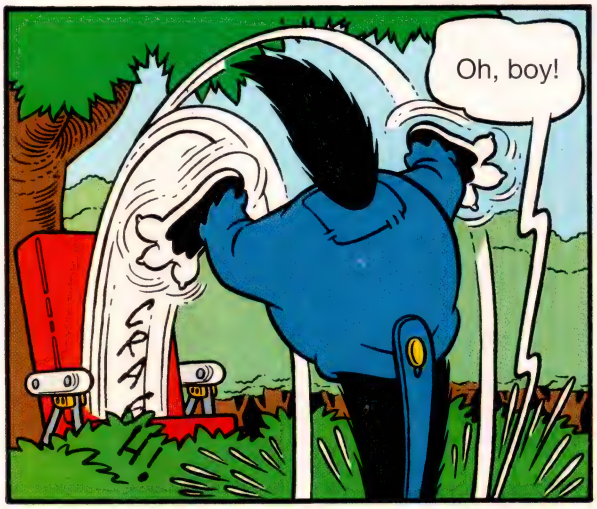
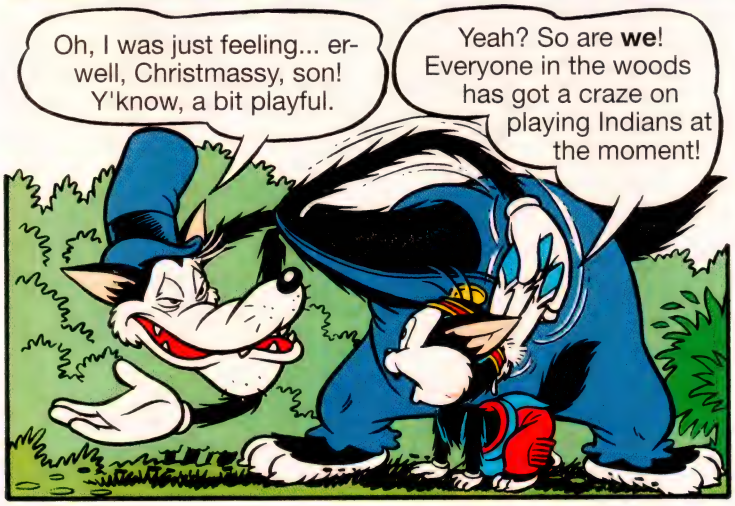
LI'L WOLF

Wild West Wolf



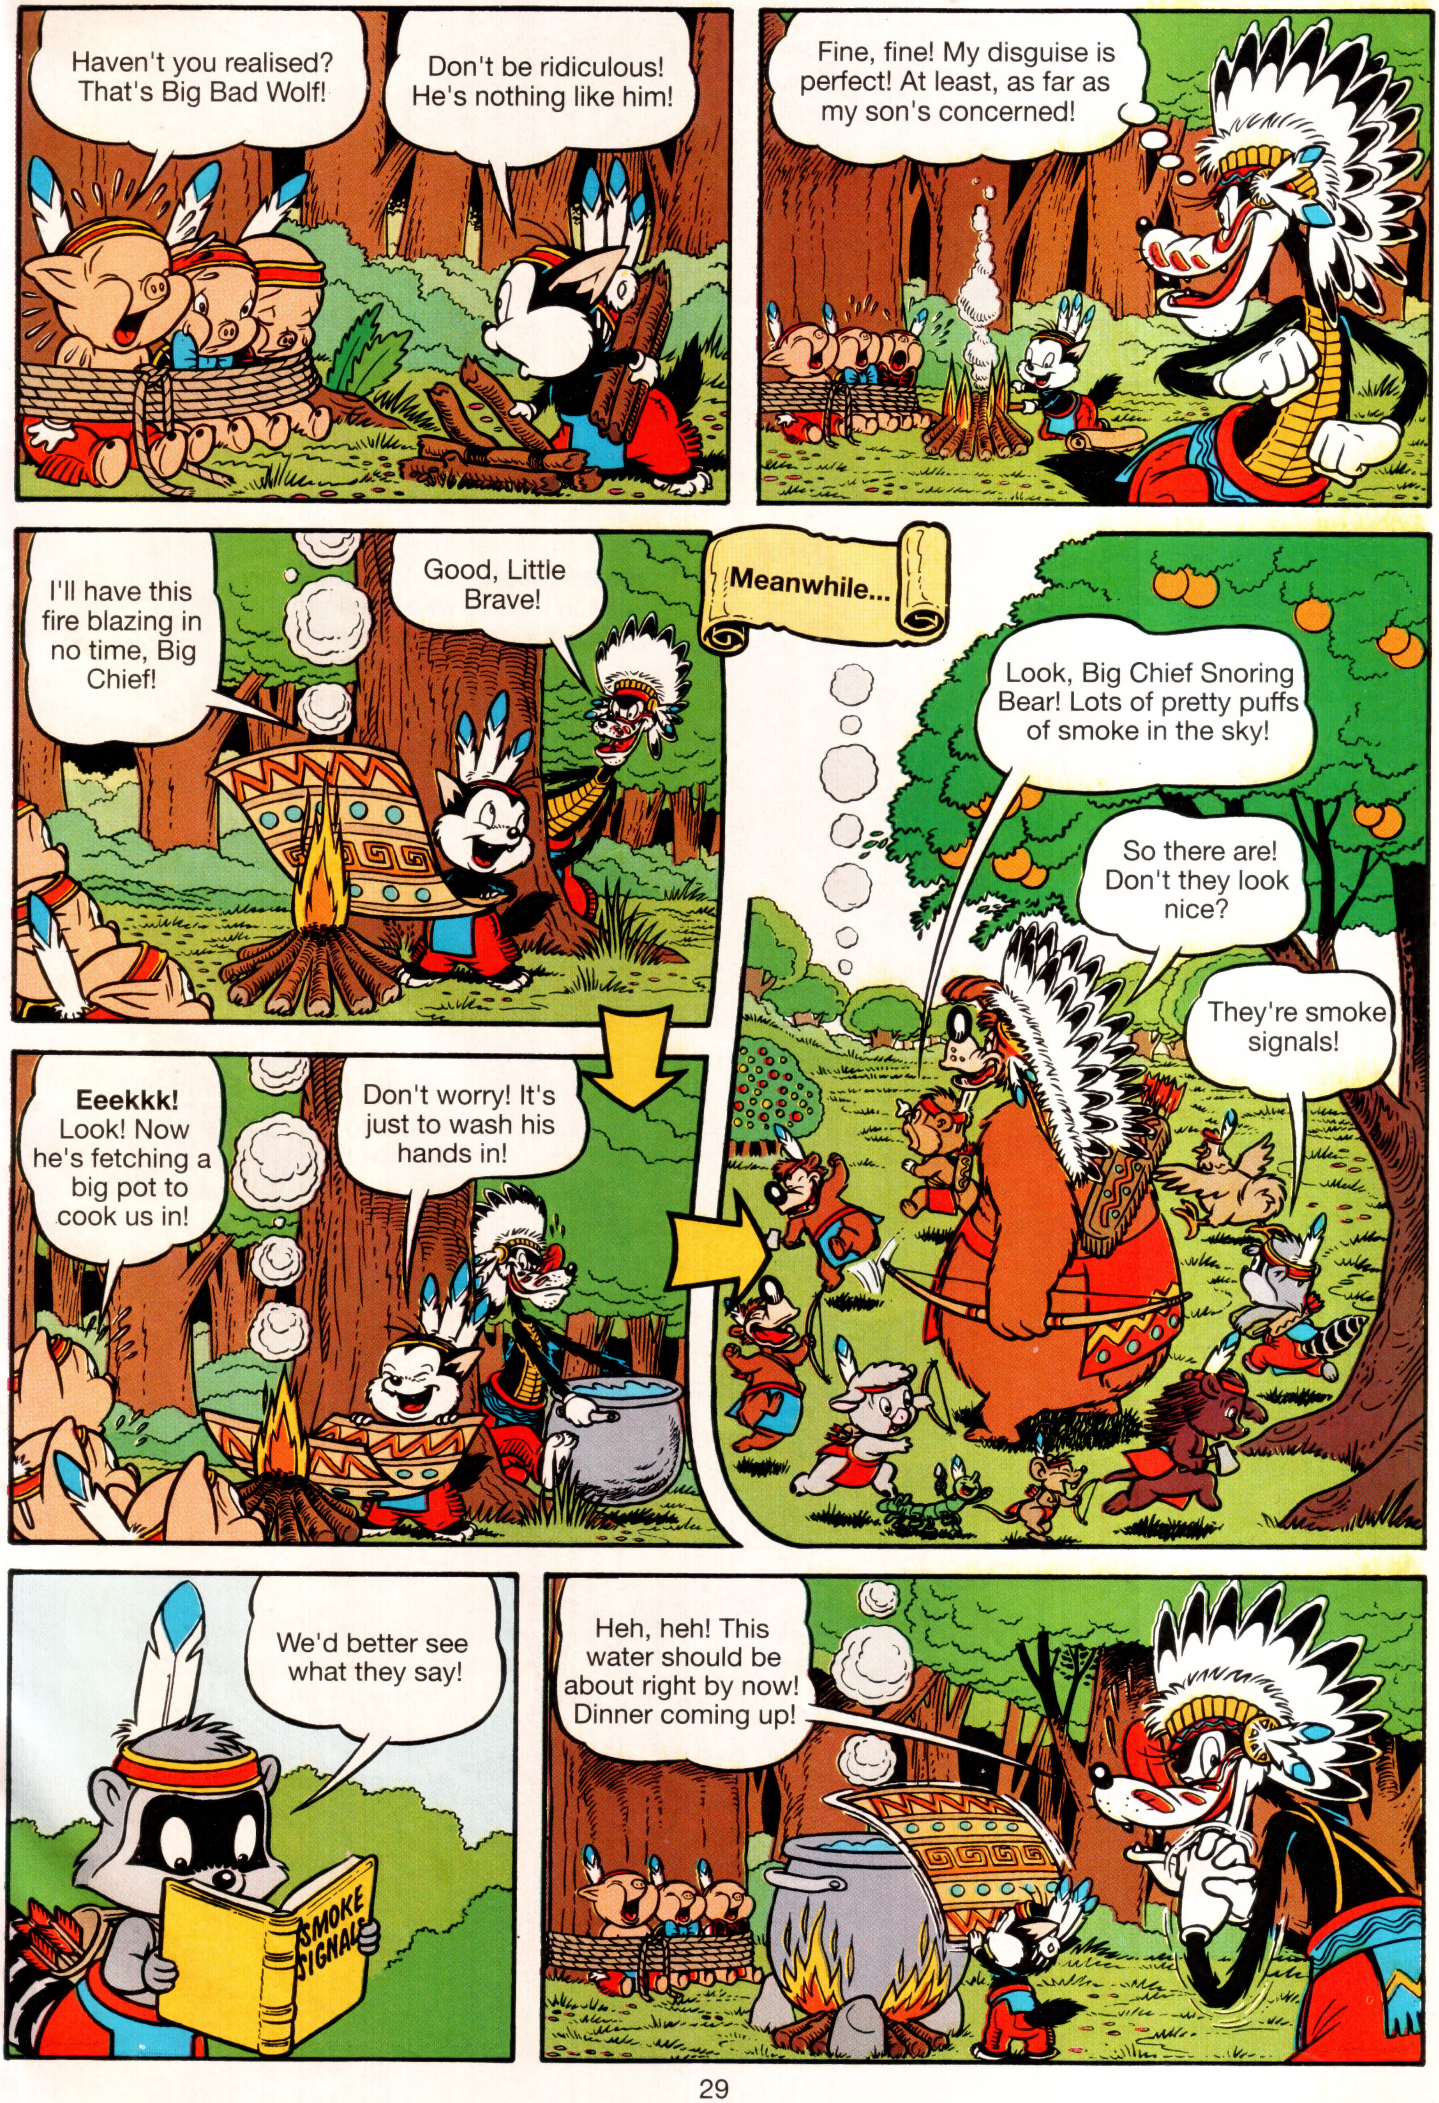




Oh, I was just feeling... er- well, Christmassy, son! Y'know, a bit playful.
Yeah? So are **we**! Everyone in the woods has got a craze on playing Indians at the moment!

Soon...
Better brush up on my lassoing afore I go rustling! I'll practise on that stump!
Gotcha, you little porker! Heh, heh!
Yeeeooow! I caught myself!
Not to worry! It takes only a second throw to get the knack of lassoing living creatures...
Huh?
HSSSS!
Yeeeuuch! N-noooo!
Ohhhh! This is the only place I'll be safe from his pong!
SPLASH!
A little later...
So what if it did take all morning and twelve disasters to get the hang of it? Here comes my reward!
The drumming's coming from over here! Big Chief Snoring Bear must be calling the tribes together!
TOM TOM TOM

Eeeeeekk!
WHOOOSH!
HEELLPP!
Sh-shucks! It-it's Pa in disguise!
Gee! Wh-what do I do?
I know! Play along with him for a while!
Say! Ain't this fun? I really enjoy playing prisoners!
Li'l Wolf! This isn't play!
It's for real!
Don't be silly! It's only a game!
Say! The little pipsqueak hasn't recognised me! Maybe I can make good use of him!
It would help our game a lot, Little Brave, if you made a big fire!
Sure, Big Chief! Your wish is my command!



Haven't you realised? That's Big Bad Wolf!
Don't be ridiculous! He's nothing like him!
Fine, fine! My disguise is perfect! At least, as far as my son's concerned!
I'll have this fire blazing in no time, Big Chief!
Good, Little Brave!
Meanwhile...
Look, Big Chief Snoring Bear! Lots of pretty puffs of smoke in the sky!
So there are! Don't they look nice?
They're smoke signals!
Eeekkk! Look! Now he's fetching a big pot to cook us in!
Don't worry! It's just to wash his hands in!
We'd better see what they say!
SMOKE SIGNALS
Heh, heh! This water should be about right by now! Dinner coming up!

What the...?
TWAANNG!
THWAPPP!
Huh?
WHOOP!
WHOOP!
WHOOP!
Aaaaarrgghhh!
Saved your bacon, fellas! Usually it's the cavalry who ride in to the rescue, but I got these Indians to come with my smoke signals!
You knew all along!
Shortly...
Now we must decide on a real Wild West punishment for this dastardly pig rustler!
Y-you're not thinking of scalping me, are you?
BEAR FARM
Ehhhhhh?
No! You're just about to be tarred and feathered!
TAR
Later...
Grr! They'll pay for this!
(Chuckle!) Come on, Pa - we'd better hurry you home before someone has you for a turkey roast!

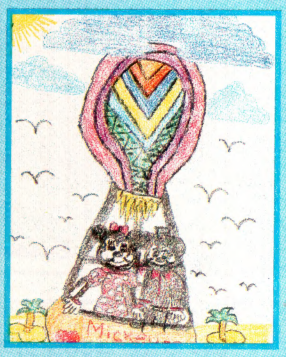
Mickey and friends is the best,
Better than any of the rest,
Donald Duck is very funny,
Scrooge McDuck has lots of money,
Mickey Mouse is the best,
Because he never takes a rest!
Darragh Bourke, Co. Limerick.

This week's lucky winner is **Mark Stubbs** of Lincoln for his Euro Disney poem!

Euro Disney

Into Main Street USA,
That is where to start the day,
Inside Sleeping Beauty's castle,
The fiery dragon will give you hassle,
Captain Hook's ship, then a pirate ride,
Get in a boat to take you inside,
Over London on the Peter Pan flight,
Through the stars, oh, what a sight!
A riverboat ride on a boat called Mark Twain,
Round Thunder Mountain and back again,
Car-driving on a circular track,
Then watch the parade before going back,
Thinking about the things we've done,
In Euro Disney we've had lots of fun!



Jaqueline Salvador of London did this picture of Mickey and Minnie on a romantic balloon ride!

Dear Daisy,
Are you fed up with Donald and Gladstone wanting to go out with you all the time? Which one do you like the best?

Well, Laura, it's actually quite good fun getting all that attention! As for which duck I like best, I wouldn't like to say - you should always keep the guys guessing!
Love, Daisy.
